Midway Boosters Announce Honored Citizens - 2009
Rex P. Barrett and Candyce Lynn Barrett

The Midway Boosters Club is pleased to announce the annual Honored Citizens for 2009. They are Rex P. Barrett and his daughter Candyce Lynn Barrett, both of Midway. The Barretts will be honored at the Midway Sunrise 4th of July Service at the town square at 7:00am as well as at Swiss Days in September.

Rex P. Barrett was born in Granby, Missouri in 1920 and was raised in Columbia, Missouri. He attended both grade school and high school in Columbia and graduated from Kemper Military School, a Jr. College. He attended the University of Missouri. Rex had his private pilot's license when WWII broke out, and he enlisted in the army. He was trained by the army to fly the P-25 and the P-38.

He met and married Audre Clark during the War and when it was over and his family settled in Columbia and ran several movie theaters. He still loves popcorn! During the next twenty years they raised two boys and two girls. They moved their family in the 1950's to Phoenix, Arizona where Rex eventually worked for Air Research and ran the developmental model shop where he helped design part of the bleed air system used on the first space launches.

Rex moved his family to Utah in 1965 and went to work of Prudential Insurance Company. He retired from Prudential and eventually worked for ZCMI in Orem. He retired from ZCMI in 200 when he was eighty years old and his family thought it was time.

He became one of the first official chairmen of Swiss Days when it became more than a harvest celebration. Rex went on to become chairman again when Swiss Days started to grow, starting the first hamburger booth, and working alongside Roy Kohler to establish the first Swiss Taco booth.

Rex served on the boosters committee a number of times and became president in 1991. He spent many years in service of one kind or another. He often helped anyone broken down in the canyon, turning around a and driving them back to Provo. He worked with scouting and young men over the years, and used to let the young men in Midway learn to drive by practicing with his Lincoln Continental in the church parking lot. He served in his LDS ward in a number of callings and in the Provo LDS Temple. Rex has been in charge of putting up the flags on the veterans graves in the Midway Cemetery for the past forty-plus years. He first started with Ernest Kuhni in 1965 when there were only about 35 flags. This has become an extended family activity and has now grown to over 225 flags displayed on graves for Memorial Day. We honor Rex P. Barrett.

Candyce Lynn Barrett was born in Phoenix, Arizona and raised in Midway, Utah. She graduated from Wasatch High School as the top literary student and went on to attend BYU. She started out as an art major, with an emphasis in watercolor. During the course of her college career she quit school for a year to earn additional money. When she went back to college her love of children won out and she graduated from BYU with a Bachelor of Science in Teaching with an Art minor.

She taught the second grade in Utah County for six years during which time she taught her students her love of art and music. Here students even performed at BYU. She served an LDS mission in Rochester, New York. When she returned she worked at Zion's Bank as a customer service representative and operations officer. She continued taking education classes and eventually went back to teaching.

She received her Masters of Teaching in 2002, her ELL Endorsement in 1006, and she is currently working on her Art Endorsement. She loves to teach her students to be self motivated and responsible. She also loves sharing here joy of music and art with her students. She has taught community art classes for both adults and children and art classes in the summer. Some of her students have placed in the Utah Art Show at the Utah State Fair. She sand in the Swiss Chorus for many years and has led the Children's Swiss Chorus. She was on the original crew that designed the Heidi Puppet Show and performed for a number of years as well as directed the show for several years until its retirement.

Candyce has taught school in the Wasatch School District for 14 years. She taught 2 years at J.R. Smith Elementary and 12 years at Midway Elementary. She has served on a number of committees including an honorary position on the Board for Art, Inc. She has received the Utah Economics Teacher of the Year, The Art Teacher of the Year for Wasatch School District and the ACE Award for Midway Elementary. She continues to love teaching and working with young people where she finds them. We honor Candyce Lynn Barrett.

You are Invited to Participate in Midway Booster Sponsored

MEET THE CANDIDATE NIGHT

When: Friday, October 30, 2009 @ 7:00 p.m.

Where: Midway Community Center

Format: Three minute presentation by each candidate, followed by questions and answers.

Moderator: Jack Zenger

Space will be provided for any campaign literature you would like to provide.

Thank you for participating

"SPIRIT OF MIDWAY"

By Marilyn Clark
Midway Boosters

What is the "Spirit of Midway?" Newcomers speak of being "drawn to this area" by something that they can't explain. Those whose Midway roots go back for many generations have deep feelings about this spirit. Although not easy to define in words, all agree that the "Spirit of Midway" is real!

In their by-laws, Midway Boosters have been entrusted with the commission to maintain and enhance this "Spirit of Midway." Midway is a rare and exceptional community, where neighbors and friends come together often in a spirit of service and goodwill. Working side by side, they combine their efforts to accomplish great things. In many instances, the occasions that bring our community together are sponsored or supported by the Midway Boosters. The Boosters are a group of dedicated volunteers who form a board that oversees many of the activities and events of our community. They are led by an executive committee of six members. Aldon Cook is serving as Midway Boosters President for 2010. He is assisted by Lori Boss (vice-president), Curtis Giles (Treasurer), Jenny Clawson (Secretary), and Warren and Marilyn Clark (co-presidents-elect).

The remaining board members are: Steve and Wendy Ashton, Gary and Carol Bonner, Rod Boss, David Clawson, Brand and Mary Colovich, Donna Cook, Ilene Giles, Nephi and Ruby Jensen, Mike and Linda Lowe, Mark and Shanna Nelson, Jeff and Sandy Norskog, Bill Pekny, Bryce Rasmussen, Carl and Mary Ann Schoff, and Sharleene Wilson.

Preparations are underway for many of the traditional activities that perpetuate the wonderful spirit we have in our "Midway Mountain Village." The Swiss Miss pageant, will take place on March 27 at 2 p.m. Supported by Booster members Lori Boss and Shanna Nelson, the pageant will be directed this year by Nicole Scott. Tara Wall will assist her. Barbara Smith, a local news anchor with Midway roots, will serve as emcee for the event. Ten of Midway's exceptional young women are participating in this years' pageant.

Aldon Cook, Lori Boss, Marilyn Clark, Jenny Clawson, Curtis Giles

There is nothing quite like a Midway 4th of July, and the Boosters already have plans in motion for another wonderful day. Patriotism will abound, as we honor our country in music and word at an early morning flag ceremony. The local boy scouts will post colors, after which the air will ring with the sounds of the Swiss Belles and the voices of the Swiss Chorus. The keynote speaker for this years' ceremony will be Sheri Dew, president and CEO of Deseret Book, and former member of the General Relief Society Presidency of the Church of Jesus Christ of Latter-Day Saints. A pancake breakfast will follow. A relatively new tradition that has quickly become an integral part of this holiday is the Plein Air Competition and Art Show sponsored by the Midway Art Association. The day will be capped off with a fireworks display on Memorial Hill. There is no better way to appreciate the privilege of being an American than by being in Midway on July 4th. Plan on being there to enjoy this day.

The Boosters will continue their financial support of Midway Beautification in 2010 by contributing towards the hanging flower baskets along Main Street. Over the past several seasons, residents and visitors have commented on what a valuable addition the flowers are to the beauty and feeling of our "Mountain Village." We look forward to another beautiful summer.

Ably led by Chairman Kevin Snow, the committee for Swiss Days 2010 is well under way in their planning of this years' event. Without a doubt, Swiss Days is the event where the "Spirit of Midway" is most visibly manifested. The Midway Boosters will be there, and we invite you to once again join us with your neighbors. Flip a burger, pound some kraut, scoop some ice cream, or find any number of ways to enjoy being a part of a most unique town—Midway!

Swiss Miss Pageant March 28

The 2010 Swiss Miss Court will bequeath their title to the newly awarded court to be named at the Swiss Miss Pageant on Saturday, March 28, at 2 p.m., at the Midway Town Hall.

The 2010 Court consisting of Carli Dunn, Maddie Gray, Tiona Drenna, Rachel Hales and Hadley Gordon had a reigning year packed with parades, community service, parades, rodeos, Swiss Days, parades and Swiss Christmas!

The girls wish to thank Midway City and Heber Valley for the opportunity to represent them. Their year was filled with memories that will last for a lifetime.

The Swiss Miss Pageant was held, Saturday, March 27th .at the Midway Town Hall. Barbara Smith, currently of Channel 4 news was the emcee. Barbara is from Midway, and was a Swiss Miss herself.

Contestants this year were: Hadley Gordon, daughter of Darin and Lisa Gordon; Rachael Hales, daughter of Matt and Olivia Hales; Brittney Johnson, daughter of Michael and LeAnn Johnson; Brenna Wall, daughter of Mark and Tara Wall; Carli Dunn, daughter of Tom and Carrie Dunn; Tiona Drennan, daughter of Todd and Cynthia Drennan; and Maddie Gray, daughter of Doug and Darla Gray.

The theme this year was Sweet Dreams and pageant director was Nicolle Scott with assistant Tara Wall. The girls opened with a group number, then each performed beautiful individual talents, had personal interviews, modeled their Swiss costumes, and had a question/answer session on stage. Special performing guests was last year's Swiss Miss Court.

Crowned as the new 2010 Swiss Miss is Tiona Drennan, with Attendants; Carli Dunn, Hadley Gordon, Maddie Gray, and Rachael Hales. Midway looks forward to a wonderful year with the new Midway City ambassadors!

Left to Right: Carli Lynne Dunn, Madison Gray, Tiona Ray Drennan, Rachael Hales, Hadley Gordon

Swiss Miss Royalty

Tiona Ray Drennan - Swiss Miss 2010 • Daughter of Todd & Cynthia Drennan, Tiona is a sweet, responsible 11-year-old who is excited to be going into sixth grade. She is a natural peacemaker in our family, loved by her older sister and adored by her three younger brothers. She loves to sing, dance, act, make jewelry, read a good book, play her violin and jump on the tramp with water. Tiona excels in school and has enjoyed being in multiple community plays, but most of all, she just likes to play with her family. Tiona is a beautiful girl both inside and out. She is thrilled to represent our wonderful community as the 2010 Swiss Miss.

Carli Lynne Dunn - Attendant • Daughter of Thomas and Carrie Dunn, Carli has a lot of spunk! She has a contagious smile and her one dimple makes up for more than two! She has enjoyed dancing since three years old, participating on many competition dance teams. She loves to sing, act, play the piano and ride horses. She is a good sister to her older brother, Corbin, and younger sister, Cambree. She is creative, has written many stories and enjoys making new friends. Her family recently moved to Midway where she performed in "A Christmas Carol". She has since loved getting to know the people and wonderful spirit of Midway!

Madison (Maddie) Gray - Attendant • Daughter of Doug and Darla Gray, Maddie is the oldest in her family and is a great example to her younger sister and two brothers. Three words to describe Maddie would be outgoing, cheerful, and energetic. She loves being with her family and friends. Maddie enjoys singing, reading, drawing, playing the piano and violin, and being outdoors. She is an honor student at Rocky Mountain Middle School. Maddie loves living in Midway and is grateful for the opportunity to serve the community and to be a part of the 2010 Swiss Miss Court.

Rachael Hales - Attendant • Daughter of Matt and Olivia Hales, Rachael is a girl with a bright imagination and a smile to match. She loves to sing, dance, play the flute, read and write stories. She enjoys spending time with her family and friends and loves to plan and prepare activities for her younger cousins and neighbors. She is always positive and loves to do things for other people. Rachael is a straight A student and serves on the student council. She loves her home of Midway and is honored to represent this wonderful town and all who live here.

Hadley Gordon - Attendant • Daughter of Darin and Lisa Gordon, Hadley was born in Orange, CA, and moved to the Midway Valley when she was two months old. She is the fourth of five children and when she was little was called "Hurricane Hadley". She loves to sing, act and would babysit any day for anyone! She is the artist of her family and would like to be an Interior Designer when she grows up. She has been to the ER five times in her young life and broken her nose twice. She is a great friend and tries to always make sure everyone is included. Hadley's favorite quote is: Don't count the seconds; make the seconds count.

Larsens are Midway's Honored Citizens 2010

The Midway Boosters are pleased to announce the annual Honored Citizens for 2010. They are Marilyn and Lowell Larsen of Midway. They will be honored at the Midway Sunrise Patriotic Service to be held Monday the 5th of July at the Midway town square. The program begins at 7:00 am. They will also be honored at the annual Midway Swiss Days celebration on September 4-5.

Marilyn Chugg Larsen was born in Farr West, Utah and attended school in Weber County graduating from Weber High School. She excelled at the piano from an early age and accompanied an entire production of Hansel and Gretel on the piano while in the 4th grade. She studied piano with a great teacher in Ogden City and was taught not only to play the piano but to always share your talents and serve others.

Lowell and Marilyn Larsen

Marilyn has taught piano since she was 18 years old and has taught hundreds of students in every place she lived. She continues to teach. Marilyn also enjoys preparing her students for the Heber Valley Piano Festival each year where they always do very well. Marilyn has also played at the Homestead dining room for many years and has enjoyed meeting great people from all over the world. Marilyn has also played for the Swiss Chorus 24 of the last 25 years. She has found it to be very rewarding and loves the chorus members and thinks they are the best! Marilyn served on the Midway Boosters Board for many years and was Booster President in 1999 and 2000.

Besides music one of her favorite interests is public service. She has served on the Midway City Council, helped in several political campaigns and is on several board of directors and involved with several charitable organizations. These include a founders of Hearts and Hands charity here in the Heber Valley. She has served at the President of the Utah Federation of Youth. In 1989 Marilyn along with others organized the Critical Issues Conference which is still going at the present time. At the present she serves on the State PTA board as Safety and Welfare Commissioner where she works closely with schools and law enforcement to protect the safety of the children. She has worked in the PTA for over 30 years and has a great respect for those who serve to protect us.

While living in St. George, Utah, Marilyn worked in the Arts in cooperation with Dixie College to bring cultural activities to that area. She has been the music director for the Crèche Exhibit since its inception over 10 years ago. Church service has also been very important to Marilyn and she has served in all areas, especially music.

Marilyn and Lowell met in junior high school, became high school sweethearts and married while they were in college. They raised 6 sons (Gordon, CJ, Andrew, Benjamin, Nicholas and Adam) and now have 20 grandchildren and 4 great-grandchildren. Marilyn has organized a "Cousin Week" each year while living in Midway to bring together her grandchildren who were scattered all over the country so they would know and love each other. Many memories have been made during that week each summer.

Lowell was born in North Ogden, Utah, attending school there and graduated from Weber State University in engineering. After college Lowell moved the family to Chicago when he went to work for General Electric Company as an engineer and also worked in southern Illinois, Massachusetts and Phoenix before returning to Utah to work at Signetics and Eimco. The Larsen's then moved to St. George where Lowell was Plant Manager of Kelty Pack for several years. During this time Lowell took Sir Edmund Hillary on a backpacking trip into the Uintas where the was thrilled to beat Sir Ed to the top of King's peak. After 10 years in St. George Lowell took a job as General Manager of Cordon Company in Salt Lake City. After living in St. George for 10 years it was a shock to move back to the big city. That is until they found the beautiful small town of Midway! Here they have lived for the last 25 years. Lowell commuted to Salt Lake for over 10 years, Ogden 2 years, and Park City for 5 years. He has found it a real pleasure to work in Midway for the last 8 years.

Lowell served on the Boosters board for several years and was introduced to Swiss Days by working in the Swiss Navajo Taco booth and continued to do so for over 20 years. Lowell has sung in the Swiss Chorus but his main contribution to the chorus has been supporting Marilyn as she has accompanied the chorus for so many years.

Lowell has served in many ward and stake positions in the LDS Church and with 6 sons has spent many happy years working in the Scouting program in troop and council positions.

The Midway Boosters are pleased to present the Midway Honored Citizens for 2010, Lowell and Marilyn Larsen.

Honored Citizens

Marilyn and Lowell Larsen

The Midway Boosters are pleased to announce the annual Honored Citizens for 2010. They are Marilyn and Lowell Larsen of Midway. They were honored at the Midway Sunrise Patriotic Service held Monday, July 5th, at the Midway Town Square. The program began at 7:00 am. They will also be honored at the annual Midway Swiss Days celebration on September 3rd and 4th.

Marilyn Chugg Larsen was born in Farr West, Utah, and attended school in Weber County graduating from Weber High School. She excelled at the piano from an early age and accompanied an entire production of Hansel and Gretel on the piano while in the 4th grade. She studied piano with a great teacher in Ogden City and was taught not only to play the piano but to always share your talents and serve others.

Marilyn has taught piano since she was 18 years old and has taught hundreds of students in every place she lived. She continues to teach. That is until they found the beautiful small town of Midway! Here they have lived for the last 25 years. Lowell commuted to Salt Lake for over ten years, Ogden for two years, and Park City for five years. He has found it a real pleasure to work in Midway for the last eight years.

Lowell served on the Boosters Board for several years and was introduced to Swiss Days by working in the Swiss Taco booth and continued to do so for over 20 years. Lowell has sung in the Swiss Chorus but his main contribution to the chorus has been supporting Marilyn as she has accompanied the chorus for so many years.

Lowell has served in many ward and stake positions in the LDS Church and with six sons has spent many happy years working in the Scouting program in troop and council positions. The Midway Boosters are pleased to present the Midway Honored Citizens for 2010, Lowell and Marilyn Larsen.

Midway July Patriotic Celebration Set

The Midway Boosters have announced their annual 4th of July Program. This year's patriotic service will feature Sheri L. Dew, President and Chief Executive Officer of Deseret Book Company as guest speaker. The service is free of charge and everyone is invited to join in at the Midway Town Square at 7:00 a.m. on Monday, July 5th.

Sheri L. Dew is a native of Ulysses, Kansas, and a graduate of Brigham Young University. She has authored several books, including the biographies of two presidents of The Church of Jesus Christ of Latter-day Saints, President Gordon B. Hinckley and President Ezra Taft Benson.

Sheri served as second counselor in the general presidency of the Relief Society from 1997 – 2002, and since March 2002, she has served as the President and Chief Executive Officer of Deseret Book Company, a publishing company and retail bookstore chain owned by The Church of Jesus Christ of Latter-day Saints.

In March 2003 the White House appointed her as a member of the U.S. Delegation to the Commission on the Status of Women at the United Nations.

The patriotic program includes the posting of the colors, performances by the Midway Swiss Chorus, Swiss Bell Ringers, the Swiss Miss Royalty, and a presentation to the 2010 Midway Honored Citizens.

Following the program a breakfast is available in the town square. Other activities which are part of the Midway patriotic celebration will be held on Saturday, July 3rd. These include the annual Plein air Art Festival and Sale in the Midway Town Hall from 8am - 4pm. (also on Friday, July 2nd), street musicians on the Town Square from 10am to 9pm on Saturday, and of course the annual fireworks from Memorial Hill at approximately 9:45pm, also on Saturday.

Everyone is invited to join in this year's Midway patriotic activities.

Midway July Patriotic Celebration set

The Midway Boosters have announced their annual 4th of July Program - which will be held on Monday, July 5 this year. This year's patriotic service will feature Sheri L. Dew, President and Chief Executive Officer of Deseret Book Company as guest speaker. Wasatch Plein Air Paradise 2010

Hundreds of artists are packing their easels, hats and sunscreen to venture into Wasatch County and capture its beauty on canvas. On June 26, 2010 at 7:00am, artists began to arrive at the Midway Town Hall to have their canvases stamped and begin their search for the ideal scene. You'll see them painting along roads, atop mountains, in gardens and fields.

The Wasatch Plein Air Paradise art competition and sale sponsored by the Midway Art Association (MAA) and the Midway Boosters is in its fifth year and continues to draw renowned local, statewide and even national artists. The event will be held at the Midway Town Hall this year and runs from June 26 through July 5.

Artists may register every morning from 7am to 9am and returned their finished framed works by 3:00pm on Friday, July 2. As in past years, the event also includes a 6 hour Heber City paint-out on July 3 and a similar paint-out in Midway on July 5.

This year the three day public exhibit will open its doors on Friday, July 2 from 7:00pm to 9:00pm, and will continue on July 3rd from 10:00am to 8:00pm and July 5th from 8:00am to 6:00p.m.

Purchase awards provide additional incentive for artists with the prize winning paintings going to the award sponsor. All other paintings will be available for purchase. The public is welcome. For the complete schedule and more information, please visit www.midwayartassociation.org. The MAA welcomes volunteers from the community to lend a hand. This year's exhibit promises to be better than ever before.

MAYOR'S MESSAGE
SPECIAL EVENTS ORDINANCE

By Connie Tatton
Midway City Mayor

We all know Midway is a special place to live. Many visitors come here and enjoy our fresh air and mountain scenery. Oftentimes these visitors want to share their experience with others and bring activities here such as bike races and 10K events. Events spill over from Summit County as they max out their capacity to accommodate events, and we find more and more events occurring here. The City often has no notice of such events and we worry about safety issues. In an effort to assure the health, safety, and welfare of the people, the City has developed a Special Events ordinance, similar to other cities around the state and country, requiring a Special Events License.

Some of the criteria for obtaining a Special Event License would be expecting crowds of over 500 for more than two hours, or significant public impacts via disturbance, crowd, traffic/parking, or disruption of normal routine of the community. Some activities that require a license would be organized runs, walks, biking events, parades, street fairs, outdoor concerts, and Swiss Days.

The City is interested in these events being successful and safe. We require an applicant to submit a site and management plan which might include location of temporary event signs, barricades, tents, activity location, portable toilets, bleachers, temporary structures, water stations, solid waste containers, emergency medical care or additional law enforcement. For events with outdoor music there is a maximum decibel level of 90 and only from the hours of 8 a.m. to 9 p.m. For bikes, runs, walks, and parades, a site plan outlining the route is required. If the event will generate additional traffic, or interrupt existing traffic on any city street, a traffic control plan will be necessary. Special permits and licenses may be required from the Fire District, UDOT, the Health Department, or the City Building and Planning Departments.

This may sound like a lot of regulation, but it is only the City's concern for the safety of its citizens and visitors that prompted this ordinance. We want people to visit and have a positive experience. We want to help assure that activities are safe.

A copy of the ordinance is available at www.midwaycityut.org. City employee, Georgia McGuire, will be handling all questions and applications.

For those who have been around a while, you are probably aware of the evolution of Swiss Days. In an effort to be safe and well organized the Swiss Days committee has already implemented most of these provisions. We would like every event to be as well organized as Swiss Days. Our hats are off to them for the wonderful example they set.

Hopefully 1100 Tulips will bloom on Town Square in the Spring!

CALENDAR OF EVENTS

3rd Thurs. 7:30 p.m. • Town Hall

Midway City Sign Ordinance

By Michael Henke
City Planner

Midway is recognized for its attractive, clean Main Street. For many reasons, Main Street has a great feel about it. All summer long we have enjoyed the beautiful hanging flower baskets on the street lamp posts. The City has also done an excellent job of maintaining the park strips which greatly enhances the ambience of Main Street. Business and home owners do a great job of maintaining their properties which also adds to the aesthetic appeal.

Also, an important aspect of having a great Main Street is the type of signage that is allowed. Currently, Midway does not allow any off-premise signage. This means that a business may only have a sign on the property where the business is located and not on any other parcels around the City. This statute is the same for reality signs, development signs, and "for rent" signs. All must be located on the property where the use is located. This truly helps the City from becoming "cluttered" with too many signs.

The City also has a Vision and Architectural Committee (VAC) which is a recommending body that reviews all new commercial signs. This committee devotes much time and effort to assure that the Midway City small town Swiss character is reflected in new signs and construction.

Over the past year there have been concerns from the public regarding some of the signs that have been posted in the City; most of those concerns have been regarding the aesthetics of Main Street. Staff has also been concerned that the appeal of Main Street has been diminished because of the location of increasing numbers of signs. Many of these signs are temporary event signs. The City is currently in the process of approving an ordinance that would regulate the location of where these signs may be placed and the length of time they may be posted. Three locations have been identified with a possible fourth location in the future. The three locations would include Hamlet Park, Town Square, and near the roundabout. The City is planning to install new sign posts where all temporary event signs may be posted with approval. The hope is that the public will become accustomed to seeing the temporary event signs in these three locations and eliminate the need for more signs in other areas of the City. Great effort will be made to create posts that will enhance, and not detract from, the areas where they will be located.

Staff realizes that Midway has a growing arts community, and the City would like to continue to promote that growth for many reasons. This ordinance is an attempt to allow advertising for events, but direct the advertising in an organized manner so aesthetics is balanced with the ability of groups to announce their events. The City Council has yet to review the ordinance, but that should happen in the next month or two.

Our goal is to continue to have a great Main Street and community by balancing the ability to advertise while maintaining the beauty and character of our community.

BEAUTIFICATION EFFORTS

Midway Main Street has never looked better. The hanging flower baskets purchased by the Midway Boosters Club were beautiful this year as were the flower pots on the Town Square. TruCo, owned and operated by Midway residents, Sloane and Veralynn Porter, donated and planted the flowers for the Town Square pots. The sentinel bell towers added to the look with their flowers.

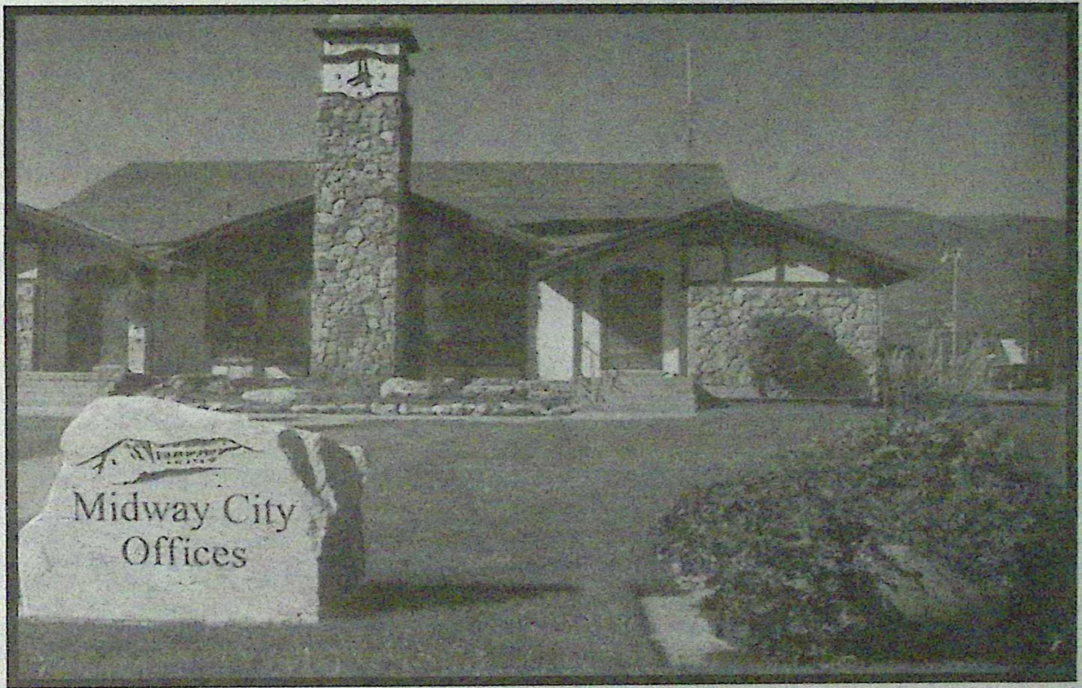

Businesses all up and down Main Street beautified their buildings and property with flowers, landscape additions, or fresh paint, whatever it took. All of these small efforts add up to a beautiful setting for our community. Midway City would like to thank all those who have contributed to the ambiance, especially the new businesses that have caught the vision.

Unsightly plants, flowers, and an old tree were also removed on the east front of the City Office Building. New water lines were installed, new plants and flowers were planted, and new bark was laid to enhance the front of the City Offices. Also a beautiful decorative rock with a "Midway City" inscription was placed at the front entrance sidewalk.

On a sad note, the City lost one of our majestic blue spruces on the Town Square this year. Since those trees are reaching their life expectancy and are such a valuable asset to the Town Square, five 8-10 foot blue spruces were purchased at cost through TruCo and planted among the Old Faithfuls. It is hoped they can take the place of the retiring trees as needed and continue the watch.

Cory Lott, Public Works Crew Cheif

New Midway City Office Signage

Cory Lott, New Public Works Crew Chief

By Georgia McGuire - *Human Resources*

Along with the familiar faces of workers around the City, you may have noticed there's a new face in town. Midway City recently hired Cory Lott as our new public works crew chief. He brings a wealth of experience with him. He has already shown a strong work ethic, is not afraid to dig in and get the job done, and his team describes him as a hard worker who gets along well with the entire crew.

Cory was born and raised in Oakley. He and his wife have three children and two granddaughters all of whom are active in community events such as fair days, rodeos, and parades. He loves spending time with his family and takes them on trips whenever they can get away. Some of Cory's other pastimes include riding horses, running cattle, and going out on his 4-wheeler.

Welcome, Cory. We're excited to have you as a member of the Midway Public Works Department!

TruCo CREW

Hats off to TruCo who generously donated and planted 1100 tulip bulbs in the Town Square flower pots this fall! We should enjoy a huge splash of brilliant color on Town Square to welcome back "Spring" in 2011.

Wow! Weren't the flowers spectacular in the hanging baskets, Town Hall windows, flower pots, round-a-bout, and parks this summer! Many thanks to our tremendous Boosters, Business Alliance, and volunteers who helped plant all the flowers. Thanks, too, to Sarah Clark for keeping them healthy all summer.

There would have been a glorious display of red petunias for all to enjoy last summer if some "sticky fingers" hadn't stolen them the night before they were to be planted. It's sad to see dishonesty creep into our town, like the thief that slinks around in so many other communities. TruCo had generously donated ten flats of red petunias. Can't you just imagine how beautiful they would have been? But someone's greed raised their cowardly head and robbed us all.

Because of TruCo, our parks and cemetery have never looked better. It's amazing what a little TLC does to keep our grounds looking sharp. The Public Works Department has also worked diligently to keep all the sprinkler heads working and spraying in the right direction.

It takes many hands to keep our City beautiful and orderly. We're lucky to live among citizens who volunteer, cleanup, and make good things happen. It's wonderful to watch pride-of-ownership abound in our Community.

MIDWAY BUSINESS LICENSING

Do you really need a business license? YES! Invoices to renew business licenses will be mailed out in December and need to be paid by January 1, 2011.

The Utah State Code states: "It shall be a class "C" misdemeanor for any person to transact, engage in, or carry on any business, trade, profession, calling....without first receiving the class or type of license required by the municipality. Each day of operation of any such business without a license shall constitute a separate offense."

If you would like more information about the process of getting a business license or renewing your current license, feel free to call the Midway City office at 435-654-3223 and talk with Georgia McGuire (x103) or Michael Henke (x105).

PLEASE HELP US PREVENT FROZEN PIPES BY:

1) connecting a hose to your outside tap, and
2) leaving a small stream running about the thickness of a pencil.

NOTE: During the winter months when the temperatures stay below freezing, Midway City allows residents to run an outside water tap attached to a garden hose. The stream should be about the thickness of a pencil. Please do not run continuous water down your drains inside your homes because this will cause excess drainage into our sewer system and could cause an increase in sewer bills.

If the water line does freeze, it is the resident's responsibility to defrost both sides of the water meter.

Some causes for frozen pipes are:
houses that are abandoned or left empty with no outside water tap running;
the frost line penetrates deeper into the ground if driveways and sidewalks are over the water lines;
or the water service lateral may not be buried deep enough to prevent freezing.

REMINDER: Midway's Snow Removal Ordinance

By Shane Owens - *Public Works*

Section 8.05.040
Snow Storage on Site

It is the duty of all property owners and property owners' associations to make arrangements for the storage of accumulated snow, either on their own premises or on the premises of another with permission of the other. All property owners and property owners' associations, and their employees, agents, and contractors, shall confine the accumulated snow to their premises or the premises of another with permission of the other. Snow from private property shall not be placed on public property or public rights-of-way.

Section 8.05.050 Improvements in Public Right-of-way During City Snow Removal

No improvements or landscaping shall be placed or allowed to remain in a City right-of-way in such a manner that may affect or interfere with City snow removal. Notwithstanding any other provisions contained in this ordinance, the City is not responsible or liable for damage or destruction caused by the City or any other person or entity to sprinklers, mailboxes, lights, plants, trees, shrubs, landscaping or other improvements of any kind located within the public right-of-way, regardless of whether or not such improvements comply with this ordinance

Section 8.05.060 Parking During Snow Cleanup Periods

Beginning November 15th of each year and terminating April 1st of each following year, it shall be unlawful to park any vehicle upon any City street or public right-of-way in all residential zones during designated snow clean up periods. The snow clean up period is that period beginning with the start of the snow falling and accumulating on the City streets, continuing thereafter for the next 24 hours or until snow removal has occurred, whichever comes first. All vehicles not moved during this period will be subject to being towed at the owner's expense.

Section 8.05.070 Snow Removal from Private Drives

It shall be unlawful for any person to remove snow from private drives or other private property and place or deposit that snow in or on any City street or public right-of-way.

Section 8.05.080
Sidewalks to Be Cleared

It shall be the duty of a property owner to clear the sidewalks at the perimeter of his or her property within twelve hours from the end of each snow storm.

Section 8.05.090 Snow Removal Near Mailbox Receptacle

It shall be the duty of every property owner to monitor, uncover and remove accumulated snow and windrows of snow from over and around the owner's mailbox. The mailbox area shall be uncovered for a distance of not less than three feet on all sides.

Section 8.05.010 Snow Removal Priorities for Public Streets

The City may provide snow removal on public streets on a priority basis as follows: First, major City roads (Class A) and school bus routes; second, main City roads (Class B); third, minor City roads (Class C) and cul-de-sacs; fourth, other City roads (class D).

Section 8.05.020 Duty to Remove Snow on Private Streets

It shall be the duty of every home owners association, property owner, corporation, partnership, or other entity having control over a private street to provide regular and adequate snow removal service on those private streets. The City has no duty to provide snow removal services on private roads.

Section 8.04.020 Trash Can

It shall be unlawful to place or leave trash cans in a location in or on any City street or public right-of-way except on the designated trash pickup day for that location. A complete copy of the Municipal Code is available on line at midwaycityut.org)

MIDWAY'S SWISS CHRISTMAS 2010

Carl and MaryAnn Shoff

The Midway Boosters are very excited to announce three special events to start off the Christmas season here in our Beautiful Midway. Circle on your calendars the first weekend of December.

The ***12th Annual interfaith Crêche, The Good Shepherd***, feature nativities exhibited at the LDS Stake Center with over 900 nativities from 90 countries all around the world. It is one of the largest in the United States. The musical performances are superb and multiple children and family activities make this a great way to appreciate the true meaning of Christmas. Our family has special memories of this marvelous experience. Open on December 3-5 (Friday –Sunday) 11 a.m. to 8 p.m. each day.

The second event is ***Cottages for The Children*** found in the Midway Community Center. Lovingly created Gingerbread Houses, most of them are decorated by local families and individuals for the purpose of helping children. What can be more in tune with the meaning of Christmas? All donated creations are up for silent auction and all are sure to amaze! Last year we were lucky enough to win a bid and had a great gingerbread house to adorn our home and the grandkids really enjoyed eating it on Christmas Day. Open Friday December 3rd (10 a.m. to 8 p.m.) and Saturday December 4th (10 a.m. to 6 p.m.)

The third event is ***Midway Swiss Christmas***. This is like an inside version of Swiss Days. Housed in the warm and hospitable Town Hall, you'll find terrific shopping, entertainment, and food. Open Dec 3-4 (Friday and Saturday) 10 a.m. to 8 p.m. each day.

Swiss Christmas shopping is great for guys like Carl. Last year, he did most of his shopping for the season because he found great variety and value and one-stop shopping! But we ladies also enjoy the shopping too! If you love finding that perfect gift and you hate fighting the busy traffic and lines at the Mall, this is the place for you! This year, 35 vendors were selected; nine are from Midway and nearly half have valley ties. We selected them carefully to provide variety, value, and quality. Shopping at Swiss Christmas keeps many shopping dollars right here in our community.

We look forward to Father and Mother Christmas coming to see the kids. (12 noon to 2 p.m. on Saturday). It is a very special experience and a great photo shoot opportunity. Last year my six year old grandson fell in love with the darling Swiss Miss Girls who will be there again this year assisting Father and Mother Christmas.

Cass Ho has again put together an outstanding entertainment program. The Calvary Baptist Church Choir is a don't miss experience scheduled for Saturday at 2:15 p.m. We especially liked the message of putting Christ back into Christmas that Pastor Davis emphasized last year. Be prepared to sing and sway and say "Amen!" Also on the program will be great entertainment from Richard Souther, Nyle Steiner, AnnaLee Van Roosendaal, Center Stage Vocal Company, The High Valley Singers, and the Swiss Miss, among many others. The schedule of all entertainment will be posted in the foyer of the Town Hall and the City Offices.

Back by popular demand, the local restaurant, Tarahumara, will provide tasty treats at very reasonable prices. We can hardly wait for lunch and dinner on Dec. 3rd and 4th. Some of the vendors will also feature great food and treats for you to take home.

There are many reasons to attend these delightful ***Midway Small Town Christmas*** celebrations, but we enjoy most the warmth and welcoming spirit of our community and meeting with our neighbors and friends who also enjoy sharing with us in Midway this Special Season of Swiss Christmas.

LET "ANNIE" BRIGHTEN YOUR CHRISTMAS SEASON

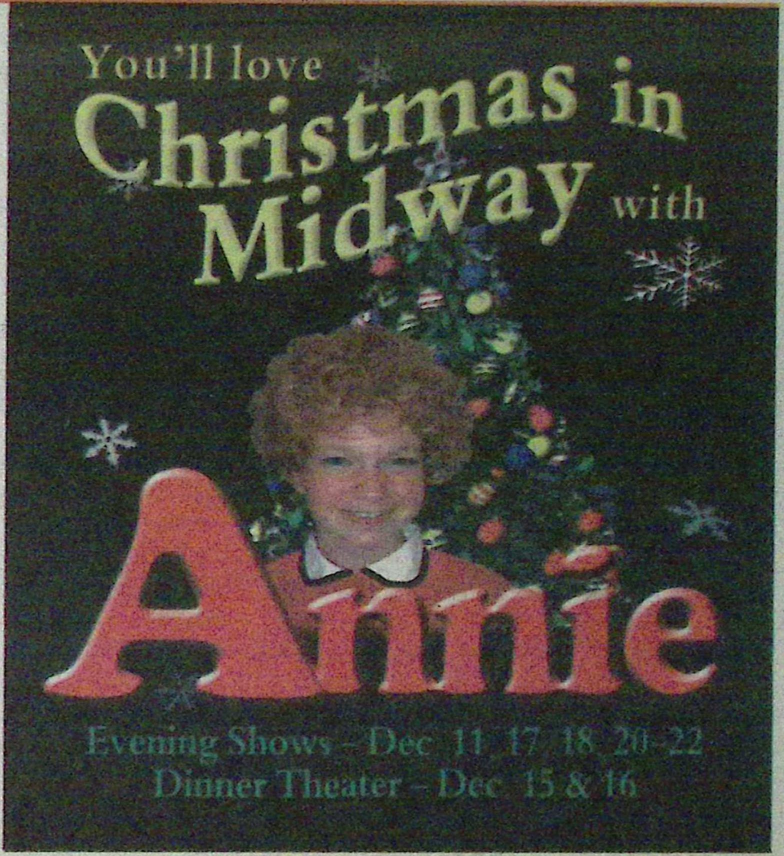

by Sue Waldrip

America's favorite little redhead, Annie, will sing her way into your heart during High Valley Arts' Christmas presentation of "Annie." From a total of 81 little girls who auditioned for the role of Annie at the end of September, seven talented little orphans were selected plus an orphan chorus of seven -- all wonderful singers and dancers. Don't miss this great holiday event presented at the Midway Town Hall on December 11, 17, 18, 20, 21 and 22 at 7 p.m. Complimentary hot chocolate and caroling will start your evening off with a healthy dose of the Christmas spirit.

Tickets for the show now include Premium Reserved Seating (the first three rows), at $15 adults and $11 children. All other reserved tickets are $12 and $8. Regular performance tickets are on sale at Day's Market and online at HighValleyArts.org.

The show has memorable songs including "Tomorrow" and "Hard Knock Life." And who can leave the theater without humming the song "Easy Street?" "The cast is amazing," Director Sue Waldrip says. "I am continually surprised at the talent which seems to keep popping up in this wonderful Valley. The professionalism of this year's cast will surprise and delight you. The community is invited to pop in at rehearsals on Saturday mornings between 10 a.m. and noon to get a feel for what we are sure will be a terrific success!"

Because last year's Dinner Theater sold out in two weeks which disappointed many people, this year it will be presented twice, Wednesday, Dec. 15 and Thursday, Dec. 16. Tickets for both nights are on sale online now at HighValleyArts.org or by calling 435-657-2026. The dinner will again feature "A Taste of the Valley," with local Heber restaurants participating each evening. Enjoy unique Christmas table decor (no two tables alike), gourmet food, good friends, and a great show. Tickets for this fundraiser are $70 per person. This is a way to have an enjoyable evening and also receive tax benefits for helping High Valley Arts continue to present outstanding cultural events in Midway. See you at the show!

A SMALL TOWN CHRISTMAS LIGHTS UP!

To kick off the Christmas season, High Valley Arts, in conjunction with the City of Midway, will sponsor for the second year "A Small Town Christmas Lights Up!" tree lighting ceremony to be held on November 29 at 7 p.m. in front of the Town Hall. Businesses or families will have the opportunity to "Adopt a Tree" by agreeing to hang lights owned by the City on each deciduous tree bordering Midway's Main Street on each tree they wish to sponsor. Each tree will prominently feature the name of its Adoptive Family. A minimal cost of $15 will be charged for each tree.

In honor of the season, the Town Hall will be dressed in its holiday best. Holiday music will be furnished by Dickens Carolers and the Swiss Misses and everyone will sing carols. With the flip of a switch, the lights will go on and the holiday season will officially begin in Midway. Don't miss this down home family event.

Businesses as well as families are invited to participate. If you would like to adopt one or more Main Street trees, please call Dick Hines at 543-3178 by November 15, or send an email to highvalleyarts@hotmail.com including your name and phone number. You will be contacted with information.

THE PROCESS OF UPDATING MIDWAY'S GENERAL PLAN

By Michael Henke - *City Planner*

One of the greatest assets that Midway has is its vision. Many communities lack vision, and, therefore, never make strides in any one direction. Midway has a strong sense of identity, and a great vision of what we want it to be in the future based on its small town Swiss character and natural environment. Currently the Planning Commission and the planning staff are working on writing a General Plan which will help guide us as we move into the future. The General Plan will help keep us on task with our vision of what Midway is today and what it will be in the future.

Basically the General Plan is a document that the Planning Commissioners, along with the citizens of Midway, produce that will act as a guiding light for any decisions that are made in the future. This plan should direct us for up to 20 years. As per Utah State Code, we are required to review the plan every five years; and one section, moderate income housing, is required to be reviewed every two years. If proposals are made to amend the Land Use Map or the City Code, then the General Plan should be reviewed to see if the written vision supports the proposal or not. The Planning Commission and City Council should review this document for any important land use decisions.

One of the tools that is being used to help us develop the General Plan is the "Vision Statement" that has been adopted by the City:

"Our Vision for the City of Midway is to be a place where citizens, businesses and civic leaders are partners in building a city that is family-oriented, aesthetically pleasing, safe, walkable and visitor friendly. A community that proudly enhances our small town Swiss character and natural environment, as well as remaining fiscally responsible."

Our General Plan will attempt to encompass all the components of the mission statement that make Midway a great place to live and visit. It will also steer us through future growth and development so that Midway will continue to be a great community.

The General Plan will be made up of nine elements or chapters. Three chapters are required by State Code; Land Use, Circulation (transportation), and Moderate Income Housing. Six other themes have been chosen as being important specifically to Midway which are; Sensitive Lands/Environment, Main Street, Historic Preservation, Economic Development/Resorts, and Parks, Trails and Open Space. All of these nine elements now have committees assigned to decide what issues will be discussed in the chapters. The committees are made up of Planning Commissioners, City Council members, members of the public, and Staff. The committees have all met at least once and draft chapters are now being written for each element.

We plan on having draft chapters written by the first of next year. At that time the committees will reconvene and make final preparations to present the documents and maps to the community. The presentation of this work will be through public open houses where the chapters and maps can be reviewed and any comments and concerns can be made. The committees will then meet again and take the public's comments into consideration and make any revisions deemed necessary. After the revisions are made, the Planning Commission will hold a public hearing and make recommendations to the City Council regarding approval of the plan. The City Council will then need to approve the General Plan before it is adopted. We are tentatively planning on this to occur next summer.

This is a great opportunity for us to plan for the future so that we can assure that Midway will continue to be a great place to live as we continue to grow as a community. We invite the public to participate in this process by becoming involved on any of the committees and by participating in the open houses and the public hearings before the Planning Commission and City Council. If you would like any further information regarding the General Plan and how to get involved, please contact the City Planner, Michael Henke at 435-654-3223 ext. 105.

Cari Lane Trail will connect Dutch Field Rd to Homestead Drive

WATER FOR THE FUTURE

By Gerald Hayward

As we look outside over the past week we may wonder why we should be concerned about our water resources. Nevertheless Midway City does continue to be concerned about the ability to provide the water we need now and in the future under any circumstances.

We currently have plenty of water available for all of our approved requirements and the emphasis in the City over the past few years is to look for possible viable alternative sources in case we have a catastrophe that might compromise any of our current springs or access to our current water supply.

Several years ago Midway Irrigation Company drilled a well in Snake Creek Canyon to supplement their Snake Creek water sources. From the time it was drilled, the location of the well and the quality of the water suggested that with some development of a distribution system it could provide a viable alternative to our current resource sites. The amount of production from the well has been modest through the years but has served its purpose as supplemental water for the Irrigation Company especially during the very dry years.

This year the City and Irrigation Company have had renewed discussion and interest in the possibility of utilizing it in the City's system. It was determined that a joint effort between the City and the Irrigation Company be initiated to try and rehabilitate the well to see what production improvement could be generated and to try to get maximum production.

It has been an interesting summer project. The well was first evaluated with video cameras, and then rehabilitation of some of the shaft and other parts of the well that collapsed was performed. After this, the well was filled with large quantities of Dry Ice and it was sealed. That allowed the expansion of the vaporizing CO_2 to "blow out" the perforations and other formations in the well and to remove sediment and material from the initial construction and allow for more water to come into the well. The well was then cleaned of sediment and tested.

There was improvement in the volume and flow of water. The exact amount is still under investigation but may be as much as twice what was being utilized before. It is enough that evaluation of its use as a City water supply will again be a hot topic of discussion. The main evaluation will depend on the amount of water available and the cost of the pumping, piping and other development that it will require.

The City will continue to look at all possible water sources for as T. Boone Pickens has stated, "Water is now a more valuable international commodity than oil."

Midway Business Alliance

By Krista J. Clark - MBA President

The Midway Business Alliance had an active summer. We supported the free Friday evening concerts in the Town Square which were organized by the Midway Foundation for the Arts and Excellence in the Community and was co-sponsored by local businesses and Midway City. In addition to creating community gatherings, the concerts drew visitors to Midway to enjoy top-notch music in our mountain setting.

Members of the Alliance worked with the city to help beautify public areas with flowers donated by TruCo and to create special events signage to welcome citizens and visitors and inform them of our Midway events. Look for the new signs next summer.

We look forward to the Christmas events and High Valley Arts performances of "Annie" and other winter celebrations. We appreciate the support of Midway community members in making our arts events successful, and we hope to expand Midway arts offerings.

The Alliance welcomes the new businesses that have licensed in Midway. We are gratified to see that Main Street businesses are creating welcoming spaces for citizens and guests.

The MBA meets on the second Thursday of each month, 7:30-8:30 a.m., at The Store conference room, 50 W. Main Street. We invite anyone interested to attend. Membership in the MBA and the Heber Valley Chamber of Commerce is automatically extended to all businesses licensed in Midway.

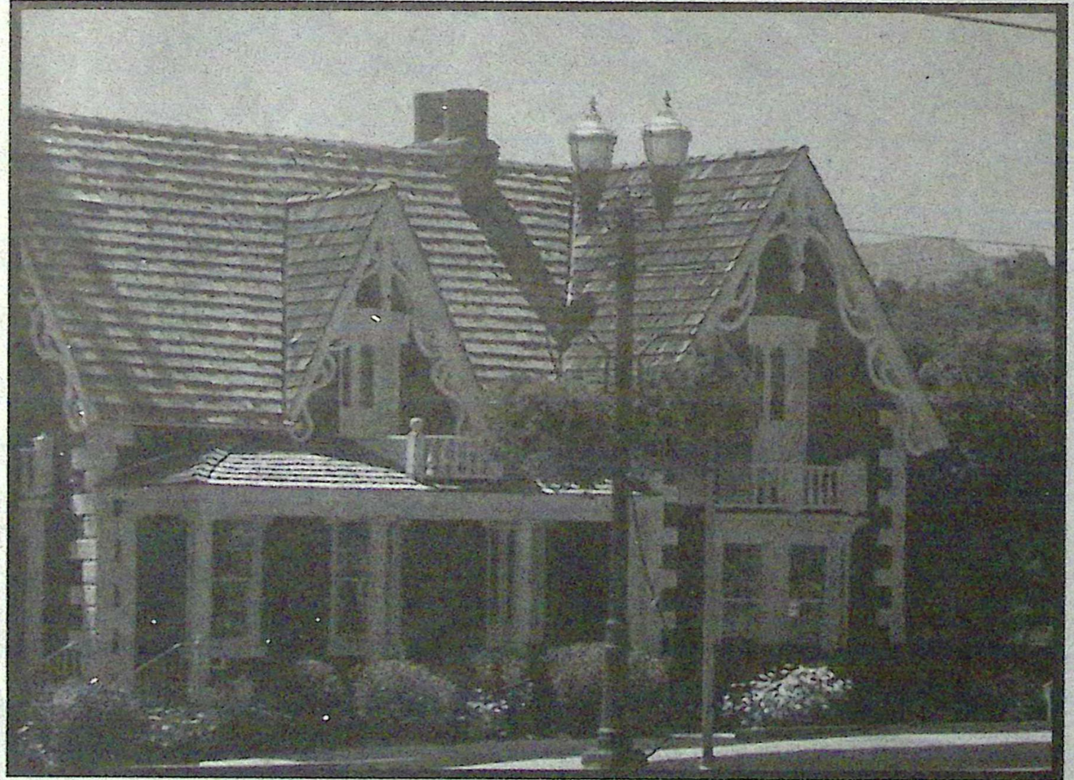

Thurl Bailey and Mayor Tatton

Your Historical Preservation Committee at Work

By Carl Jones - *Chairman*

The Midway Historic Preservation Committee has completed two surveys of the homes in the original town plat. The first one was a combination reconnaissance and intensive survey of Main Street. The second survey was of all the homes and businesses located within the original town plat and the blocks east to River Road. This was a reconnaissance survey of 246 homes and businesses; of these, 75 buildings or 30 percent were considered eligible for listing on the National Register of Historic Places. Because these homes are scattered throughout the survey area, we are considering the creation of a Local Historical Register. Individual owners may also wish to have their homes added to the 11 properties in Midway already on the National Register of Historic Places. Listing homes would have many potential benefits, including recognition of historic Midway as an important cultural resource, strengthening community pride of its citizens, and the potential eligibility for rehabilitation tax credits, grants, loans, building code leniency and local zoning variances. Furthermore, being on the National Register does offer some protection from actions involving federal and state funded projects that might effect the homes; i.e. moving the old historic Elks Building in Salt Lake City was the result of Section 106 action because the building was on the National Register. The Committees newest CLG, Certified Local Government Grant will involve 22 homes in the Intensive Survey mode. The owners of these homes will find that most of the background material needed to list the home on the National Register will be done and what remains is finding a person who can write the nomination. Over the years, these forms have become longer, more detailed, and require a certain amount of special wording that the bureaucratic reviewers require.

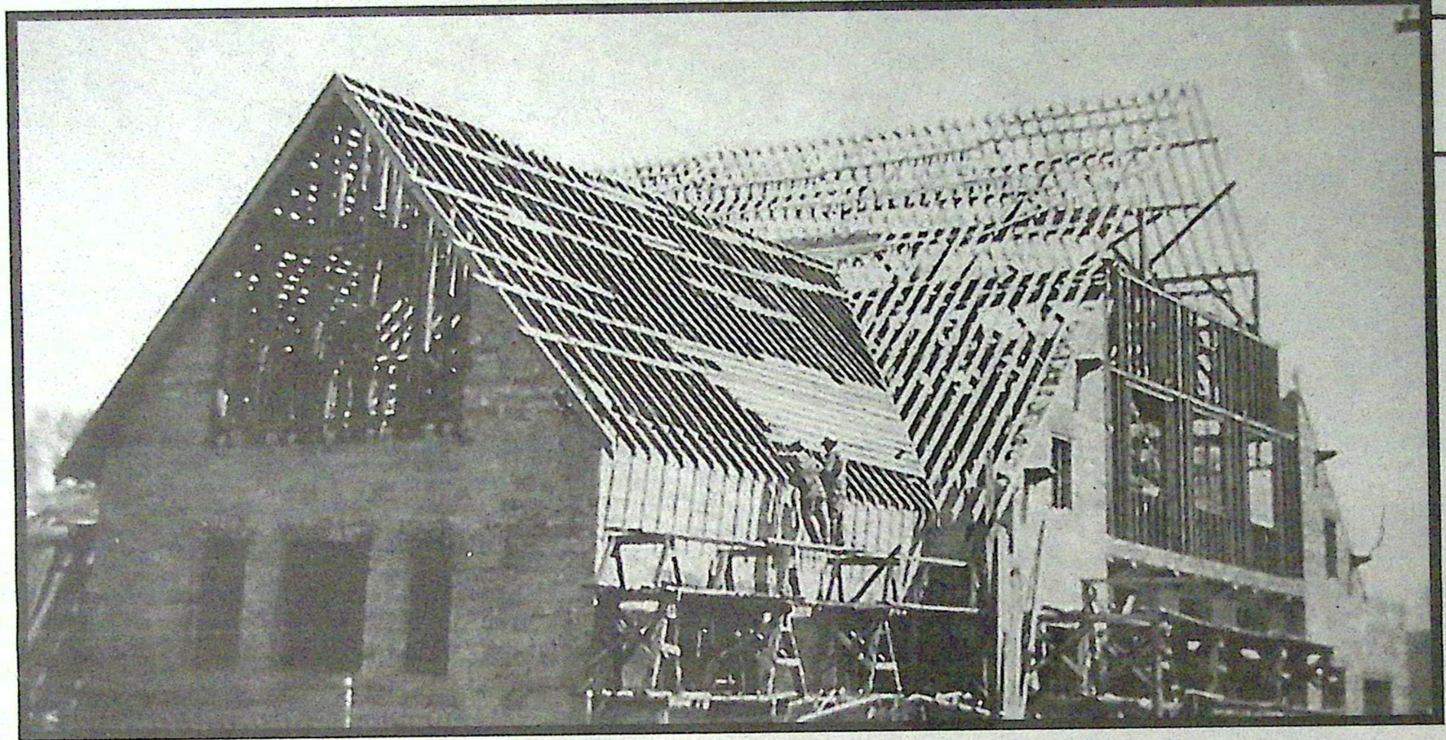

The Committee is also working towards a short four-block walking tour that will include about 17 older homes and a few fill-ins that will add variety to the walk. With the completion of the two earlier surveys, we are in a position to both nominate and accept applications to the Local Historical Register. Nominations to the Local Historic Register must be approved or submitted by the owner, pass through the hands of the Midway Historic Preservation Committee, and end up being approved by the City Council. Forms are available at the City or at www.midwaycityut.org.

CITY REMINDERS

- All business licenses need to be renewed before January 1, 2011 (invoices will be sent)
- All dog licenses need to be renewed before January 1, 2011 (proof of rabies vaccinations required)
- Cemetery annual lot care fees are due January 1 (invoices will be sent). Avoid annual fee billing by making a one-time perpetual care payment for your cemetery lot

Rehabilitation of Midway City Town Hall

Original Town Hall Construction

Background

Midway City has been concerned about the condition of the Town Hall roof, pot rock walls and windows for some time. In early 2008 that concern had risen to the point we wondered how many more winters it could survive without suffering damage from ice and snow load. Even worse what would even a moderate earth quake do to this historic building? With this in mind Mayor Tatton initiated a project to find some means of rehabilitating the Midway City Town Hall to a state that it could continue to serve Midway's civic and cultural needs for another 70 years. During the spring she became aware that Midway City might be eligible for rehabilitation funds through a State pre-disaster mitigation program through the Utah State Division of Emergency Services and Homeland Security funded by the Federal Emergency Management Administration (FEMA). The Mayor asked staff to pursue a FEMA grant with assistance from Mountainland Associations of Governments and an outside consultant. When the grant application was completed it was submitted for review late in November 2008.

The Mayor and City staff recognized that there would be advantageous to consider other rehabilitation activities if the structural work were to be funded. For example it would be a good opportunity to rehabilitate heating, ventilating and lighting systems in the Town Hall to provide better service at reduced utility cost. In January 2009 City staff began looking for an architectural firm with experience in historic building rehabilitation and preservation to plan and coordinate both structural and energy activities. This led us to CRSA Architects and Allen Roberts. CRSA is an architectural firm with more than thirty years of experience in historic building preservation. Allen suggested we begin by applying for a small grant available from the Utah Preservation Initiatives Trust Fund for an initial study of Town Hall. The City did so, and obtained funding and engaged CRSA to undertake the overall study.

Early in 2009 Midway City received notice that FEMA had given preliminary approval for the seismic stabilization work. This began a lengthy, and at times difficult, negotiation of what Midway City could, and could not do as part of the Town Hall rehabilitation. These negotiations involved the Utah State Historical Preservation Office and focused on what constituted preserving the "historic character" of Town Hall and the materials and processes that would be used to achieve this end. These negotiations continued over an 18 month period ending in a successful agreement in mid September 2010.

Over this same time period Midway City staff identified a potential source of funds for the energy efficiency upgrades needed for the Town Hall. The Utah State Energy Program received funding from the Federal American Recovery and Reinvestment Act targeted to upgrade the energy efficiency of systems in municipal buildings in Utah. Midway staff prepared an application for an Energy Efficiency and Conservation Block Grant (EECBG) and submitted it to the Utah State Energy Office in January 2010. Again Midway City worked with CRSA to assure the historic character of the Town Hall would be respected. Midway received notice that this grant had been approved at the end of June 2010.

At this point in time Midway City staff is working with CRSA to complete the design for both the seismic and energy work and prepare plans and specifications for bidding. It is our expectation that the design will be finished and bid documents available before the end of this year.

The Midway City Town Hall rehabilitation funding will go primarily towards replacing the roof; strengthening the walls, replacing / restoring / reinstalling window openings; thermal upgrading; lighting upgrading; and installing an energy efficient HVAC system.

A Christmas of Crafts, Creches & Cottages in Midway

Friday, December 3rd thru Sunday, December 5th, 2010

Admission to all events is FREE

Swiss Christmas

130 West Main Street
Historic Midway Town Hall

Fourteen girls vie for Swiss Miss 2011

Anna Snow

Brittney Johnson

Emily Rasband

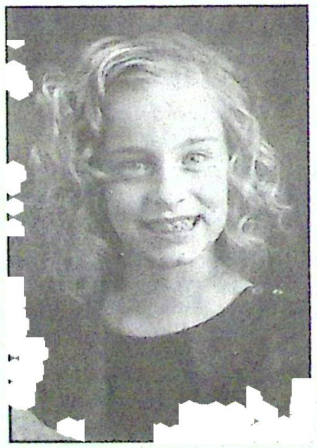

Jadree Prince

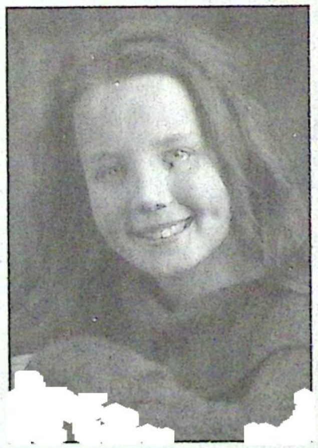

Sarah Mair

Jessica Stagg

Kayla Webb

Fourteen young ladies will compete for the title of Swiss Miss 2011 on Saturday, March 26 at Midway Elementary School. Competing for the title this year are: Anna Snow, Brittney Johnson, Emily Rasband, Jadree Prince, Sarah Mair, Jessica Stagg, Kayla Webb, Mallory Neuberger, Maya Jones, Olivia Giese, Samantha Prince, Sierra Calder, Sophie McCotter, and Tessa Nielson.

2011 Swiss Miss Court

The 2011 Swiss Miss pageant, sponsored by the Midway Boosters, was held March 26 at Midway Elementary School. The pageant was under the direction of booster representative Shanna Nelson and pageant coordinator, Tara Wall. Fourteen young ladies competed for the opportunity to serve as ambassadors of Midway. The guest judges scored the girls on modeling and poise, interviews and talents. This year's Swiss Miss is Anna Snow. Her attendants are Maya Jones, Sarah Mair, Jessica Stagg and Emily Rasband. The pageant participants voted Sierra Calder as Miss Congeniality. L to R: Sarah Mair, Emily Rasband, Anna Snow, Jessica Stagg, Maya Jones and Sierra Calder

RJ Masonry, Inc.
Delta Stone Products, Inc.
Mountain Valley Stone, Inc.

RJ Masonry is owned by Robert Hicken and Paul Ballif. The company was started in 1988. RJ Masonry soon became the parent company for two organizations that supply products and services for the stone construction trade. Delta Stone Products is a retail stone yard and architectural stone cutting operation serving customers, owners and architects worldwide. Mountain Valley Stone operates out of Brown's Canyon in Summit County where they quarry blond sandstone. RJ Masonry operates as a stone masonry contractor with a reputation for quality and fine craftsmanship. They specialize in residential and commercial stone, block, and brick masonry construction. They eagerly joined the Foundation scholarship program to support students in their continuing education. This year they are awarding 3 scholarships.

The Class of 1955

The Wasatch High School Class of 1955 has set the mark and challenge for other classes. At their reunion they raised sufficient funds to help provide scholarships. Don Ritchie, from that class, serves on the Foundation board and has offered the challenge to others to likewise fund future scholarships

Slone and Veralynn Porter

Though the name has change over the years, Slone and Veralynn Porter have continued to support the Foundation scholarship program. They have expressed a desire to give back to the community while helping other to get ahead through education. They are generous to the Foundation general scholarship fund.

Kiwanis Club

Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time.--
Kiwanis defining statement, adopted October 2004.
New to the Heber Valley, the club was quick to join the Foundation in providing scholarships to students. They are providing a $1,000 scholarship this year, recognizing a student that participated in their Key Club. Key Club is the oldest and largest service program for high school students. What makes Key Club so successful is the fact that it is a student-led organization that teaches leadership through serving others. Key Club members build themselves as they build their schools and communities.

The Ritchie Group

James Ritchie has been instrumental in helping to bring the Foundation together. He continues to work to expand the foundation's reach for "higher ground". He has served on the board of the Foundation in the past. In addition to his work with the board, he and his wife Carolyn are generous with their support of the Foundation activities, including a scholarship to encourage and recognize students for personal and community service.

Midway Irrigation Company

The Midway Irrigation Company has become a valuable partner in the scholarship program. Water is such a valuable and precious resource. Students who receive this award must demonstrate an understanding of the importance of water management and conservation. These Scholarships are awarded in memorial to Mr. J Fred Price, who served as president of the company for over 30 years.

Wasatch High School Secretaries

As a perfect example of how our community can come together to provide scholarships for our graduating seniors, the secretaries of Wasatch High School donated their time to work in the school concession stand. The monies earned from their efforts is used to create Wasatch High School Secretaries Scholarship for the first time this year. Obviously, their commitment to our students goes beyond their jobs, and their willingness to give of their time allows them to present a $1,000 scholarship this year.

Dorius Dental

Dorius Dental returns as a scholarship donor this year, and the Foundation is grateful for their continuing support. Doris Dental is providing a scholarship to a student pursuing education in a medical-related field.

Dow Weekes

Dow Weekes is a firm focused on people, property and planning. We are pleased to sponsor a bright and worthy student.

Ruth Schneitter Memorial Scholarship

Dr. Robert Fuller joined the Foundation scholarship program many years ago with a memorial scholarship to Ruth Schneitter. An endowment for the scholarship was established which provides a Medical scholarship each year to a student attending the University of Utah in the field of medicine.

The Olpin Family

In 1928 Joseph Olpin and his wife Violet, along with their 3 children moved to the Heber Valley to establish a mortuary for the area. Subsequently six more children were added to their family. These nine children, as well as several grandchildren and great-grandchildren were educated in the Wasatch County School District. Descendants of Joseph and Violet now number close to 500, and have shared that education worldwide.

As funeral directors Joseph and Violet, along with their son Guy and his wife Shirley, served the communities of Wasatch County throughout their lives. They also served the community in many civic and church capacities. As a registered nurse, Violet shared her skills with those needing medical assistance. With gratitude to the school district and all those who influenced our lives, the Olpin family is please to offer two scholarships

The Joe and Violet Olpin scholarship is offered to a student pursuing a degree in a medical field.

The Guy and Shirley Olpin scholarship is offered to a student showing strong community involvement.

Pink Ladies Auxiliary Heber Valley Medical Center

The Pink Ladies Auxiliary consists of community minded volunteers who generously give of their time to assist patients and staff at the hospital. From their proceeds in the gift shop, they assist with special needs consistent with their mission, including educational needs for patients and staff. They were the first organization to offer a scholarship through the Foundation back in 1986. They have continued every year since that time, making this their 24th year of assisting with scholarships.

Binggeli Properties, LLC

For years, the Binggeli family has supported the scholarship program through Binggeli Rock Products. While there has been a change of name, Deanna Binggeli is continuing that tradition of general support through Binggeli Properties, LLC.

Days Market

Gerald Day moved his family from Bountiful, Utah to Heber Valley on July 1st, 1972. In July of 1973, Day's Market opened a 11,000 square foot store. Many changes have taken place in the Day's organization through the years, along with the new Heber store. They have consistently demonstrated generosity to many community activities and event. They were also one of the first to join the Foundation scholarship program at its beginning and have continued each year.

Brian Winegar, CPA Accounting

Brian also joined the Foundation scholarship program at its beginning. He stated that the community had been good to him and he wanted to give back. For each of the intervening years, he has awarded one scholarship to a business student and one to an accounting student.

Mountain Cabinetry

Rick Widdison served as a member of the Foundation board when we began the scholarship program. As a member of the scholarship committee, he was first to offer a scholarship as he began to invite others. Rick has continued to assist with the scholarship committee for many years.

Jim & Norma Fosgate – Sound Scholarship

JIM FOSGATE RECEIVES EMMY AWARD
FOR DEVELOPMENT OF SURROUND SOUND FOR TV
– Technology & Engineering Emmy Award Bestowed In Honor of Groundbreaking Surround Technologies and Applications –
New York, NY, October 27, 2003 –
Jim Fosgate was a co-recipient of the Development of Surround Sound for Television award, presented by the National Television Academy for his continuing efforts to develop and refine surround technologies for television broadcast. As the holder of more than 14 patents (plus three pending) for surround audio, Fosgate is widely acknowledged to be one of the forefathers of the concept.

Jim's love for sound now extends on to encouraging others to take sound to the next level. He and his wife Norma are very generous in encouraging students in the pursuit of excellence in sound. This year they continue with multiple scholarships for our graduating seniors.

Welcome To Nitro-Pak.com

Unlike most "virtual" companies, we have over 80,000 products in stock. Nitro-Pak offers the most affordable and complete selection of emergency preparedness gear and food storage products on the planet.

Harry and Vickie Weiandt have been active contributors to the scholarship program for a number of years. They have provided scholarships to many schools and a variety of majors.

Heber Valley Medical Center

The hospital has been a long time partner with the Foundation. It supports many of the Foundation activities. The hospital provides medical related scholarships and encourages the students to come back and work in the community.

Midway Boosters

The Boosters support and encourage the students in community service. They have participated with the Foundation scholarship program for many years. This year they are providing 4 scholarships to students who live and serve in the Midway area.

Wasatch Chiropractic

Steve Frogley is fairly new to our community, but is quickly demonstrating his desire to be involved. This year, we are grateful to announce a new scholarship made possible by Wasatch Chiropractic--the Ron Frogley Memorial Scholarship.

Scholarship Donors

This year, we had a number of businesses and individuals donate to our scholarship program, and who haven't been specifically discussed above. We would like to thank Wasatch Literary Society, Jason Anderson, Horrocks Engineering, CPA Mortgage Services, as well as many anonymous donors.

In addition to funding specific scholarships, many donors contribute to the scholarship program by donating funds that can be used to "match" other funds to encourage donations. The Foundation is grateful for their generosity.

Midway Blooms

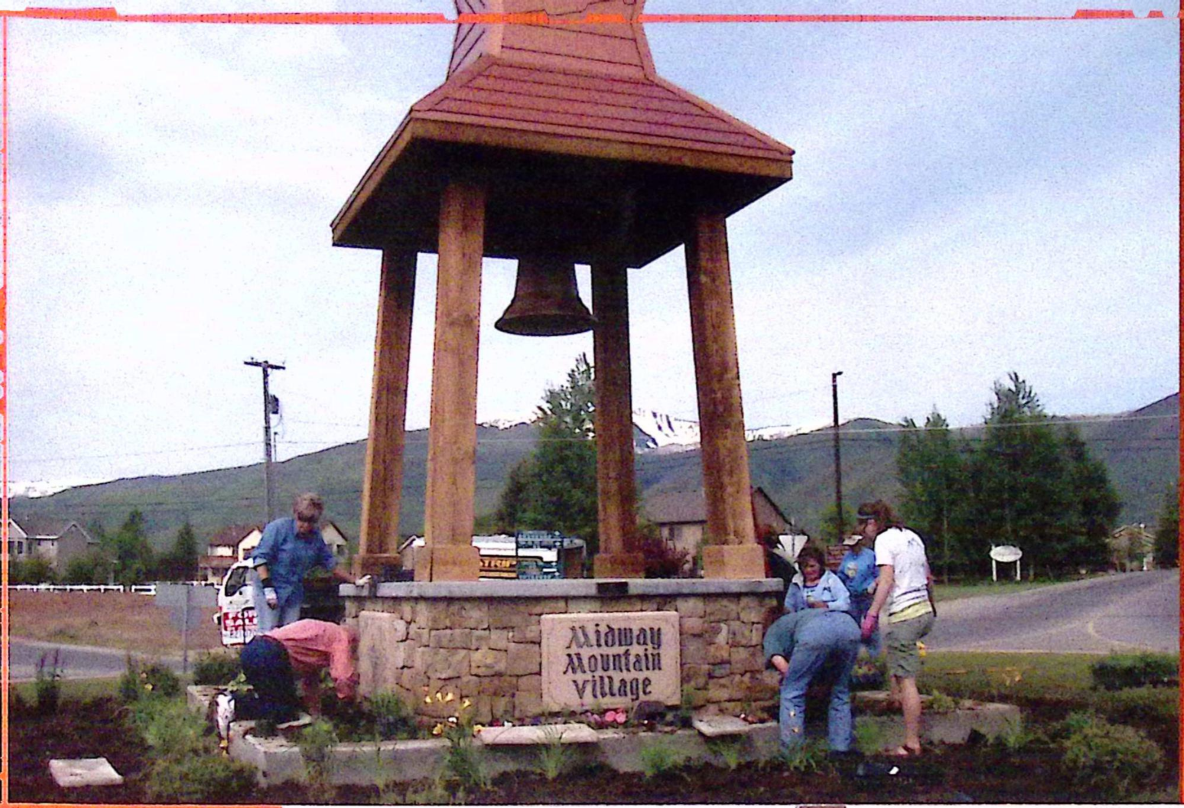

Last Saturday morning volunteers met early to bring Midway alive with color. Midway Boosters and Midway Beautification Committee members scurried across Main St. carrying baskets of flowers to be hung. In the Midway roundabout and Hamlet bell tower volunteers weeded and artfully planted flowers till late morning.

The lifts for the hanging flowers on Main were provided by CRC Design and Watts Enterprises. The flowers for the baskets were brought in from Vernal with all the planting areas being provided by TruCo Landscaping of Midway. Midway Boosters donated the funds for the flowers.

A rainbow of color will welcome visitors to Midway and be enjoyed by all of us in the valley.

Midway is blossoming thanks to many helping hands this past weekend.

Kohler selected as Midway's Honored Citizen for 2011

The Midway Boosters are pleased to announce the annual Honored Citizen for 2011. Phyllis Kohler will be honored at the Midway Sunrise Patriotic Service to be held Monday the 4th of July at the Midway Town Square. The program begins at 7 a.m. with speaker Matthew Holland, President of Utah Valley University, patriotic songs, bell ringers and outdoor breakfast. Kohler will also be honored at the annual Midway Swiss Day celebration September 2 and 3. Roy Kohler, Phyllis' husband, was honored years ago when the Boosters traditionally honored individuals not couples.

Phyllis Buck Kohler was born in Park City, UT. She graduated from Park City High School as Valedictorian of her class and was Student Body treasurer her junior and senior years. The high light of her school years was being in the award winning Park City High School Band. She also enjoyed being in the Chorus and participating in the All State Chorus at BYU. She attended LDS Business College in Salt Lake City and Woodbury College in Los Angeles. She grew up working in the family store, Welch, Driscoll & Buck established in 1894 by her Grandfather and closed in 1954 by her father. It was on Main Street where the Treasure Mountain Inn stands. At 11, she washed show cases and swept the floors until she graduated to clerk and later to bookkeeper. She learned ballroom dances that were practiced and then performed at the annual Gold & Green Ball sponsored by the LDS Church. Her first job was as a report writer with Dunn & Bradstreet. She later worked at AT&T in Park City as a telephone operator back when an operator said "Number Please" and connected the calls. It was the most enjoyable job she ever had. She later worked in the accounting department at Shrivel Patterson Finance in Salt Lake City.

In 1952, she married LeRoy A Kohler in the Salt Lake Temple. They settled down to build a house and start a family. Roy worked with his father and later purchased the farm. They had nine children, six sons, Melvin (Mick), Mike, Phillip (deceased), Grant, Kameron and Nathan, and three daughters, Kathleen (Kathy Bergin), Nancee Heckel and Lisa Christen. The farm was a perfect place to raise children and teach them to work. Summers brought nephews (one per summer), to stay and work on the farm. They hosted 7 exchange students and many other boys stayed from a few weeks to 4 years. She prepared many large meals during the summer for hay haulers, visitors and family. Roy passed away in 1987. Phyllis currently has 43 grand children and 14 great grand children. She still lives on the farm. Phyllis & Roy were at the meeting the night Scott Whitaker suggested they celebrate the Swiss Heritage and calling our celebration 'Swiss Days'. Phyllis was Booster Treasurer for several years in the beginning and also worked in the booths. As Relief Society Pres. she was in charge of their booth for 3 years. For several years she baked 250 to 300 loaves of Swiss Bread in her kitchen during the summer and filled her freezer and others who had room to spare. They also made Sour Kraut in their kitchen for the first few years, until it got too big. When the Ward took over the booths, she was in charge of the 1st ward bread baking and with the help of Bonnie Bezzant they taught many ladies how to braid bread.

Over the years she made many Swiss costumes in different sizes. When her daughter, Kathy was 'Swiss Miss,' she was informed that the mother of the Swiss Miss was in charge of making the float. She built the float which she took to the 24 of July parade and got the Governors award. She built the floats for the next 6 or 7 years with Roy's help. Then she decorated them, she drove them to Salt Lake and also drove them in the parade herself. She received two trophies and several Governors Award Certificates.

It became difficult to get the older girls to participate in Swiss Miss. At a Booster meeting Phyllis made the suggestion that they have a 'Little Swiss Miss'. It passed unanimously. It has been a great thing and a special part of Swiss Days. Phyllis was a Charter Member of the 'Swiss Hand Bell Ringers' and played for 5 years. She has been in the Swiss Chorus since the late 1960's, not missing many years. She was also a member of the 'Heber Valley Choralettes' for over 30 years. She has served in many Ward and Stake positions as well as serving in the Santa Rosa, California Mission from 2005-2006. She and her family have thought of Swiss Days as a big, important and enjoyable part of their lives, and her family is continuing the tradition.

Midway Boosters ... 4th of July Celebration Assignments

Mark & Shanna Nelson 654-3045

- Guest Speaker
- Speaker Bio's
- Web site updates

Midway July 4 Patriotic Celebration set

Dr. Matthew S. Holland

The Midway Boosters have announced their annual 4th of July Program. This year's patriotic service will feature Dr. Matthew S. Holland, President of Utah Valley University as guest speaker. The service is free of charge and everyone is invited to join in at the Midway Town Square at 7 a.m. on Monday, July 4.

Dr. Matthew S. Holland's road to a distinguished career in higher education began as a student at Brigham Young University, where he graduated with honors and was valedictorian for the political science department in 1991. That same year he won a prestigious Raoul Wallenberg Scholarship to the Hebrew University of Jerusalem to study leadership in democracies.

Before earning his master's degree and Ph.D. in political science at Duke University, Dr. Holland served with distinction as chief of staff for the top executive of the international consulting firm Monitor Group and, later, as special assistant to then Governor Michael O. Leavitt. As a faculty member at BYU, his re-

SEE "JULY 4" ON PAGE A3

Midway July 4

CONTINUED FROM PAGE A1

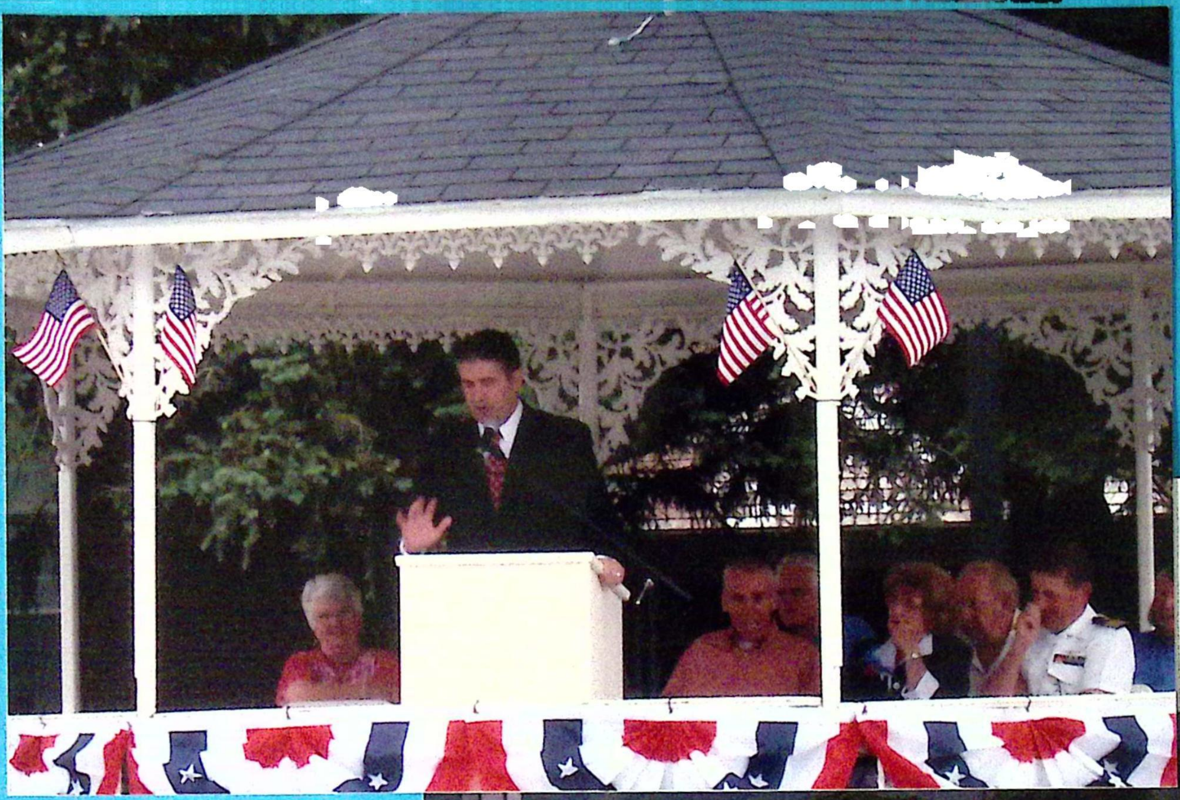

search in American political thought garnered national attention. In 2005, he was awarded Princeton University's James Madison Fellowship. A popular teacher, his commitment to applied learning concepts led to his selection as BYU's "Civically Engaged Scholar of the Year" by Utah Campus Compact.

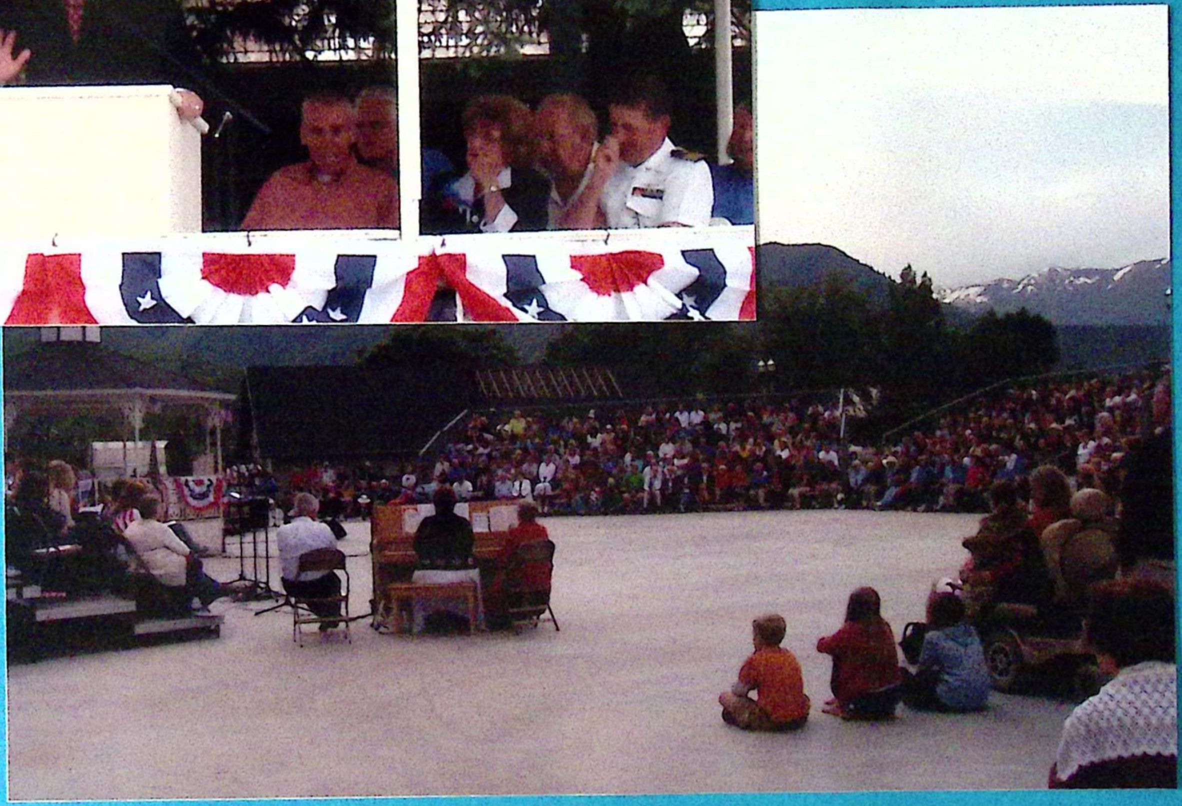

Most recently, Dr. Holland was selected from an exceptional pool of candidates as Utah Valley University's sixth president. A true son of Utah Valley, Dr. Holland is married to fellow Utah County native Paige Bateman, and they have four children: Jake, Mitzi, Grace and Danny.

The patriotic program includes the posting of the colors, performances by the Midway Swiss Chorus, Swiss Bell Ringers, the Swiss Miss Royalty, and a presentation to the 2010 Midway Honored Citizen, Phyllis Kohler.

Following the program a breakfast is available in the town square. Other activities which are part of the Midway patriotic celebration will be held on Saturday, July 2. These include the annual Plein air Art Festival and Sale in the Midway Community Center from 8 a.m. - 4 p.m. (also on Friday, July 1st), Main Street Musicians on the Town Square from 10 a.m. to 9 p.m. on Saturday and Monday, and of course the annual fireworks from Memorial Hill at approximately 9:45 p.m., on Monday, July 4.

Everyone is invited to join in this year's Midway patriotic activities.

Wasatch Community Foundation

The Wasatch Community Foundation is a volunteer, non profit organization committed to enriching the lives of Wasatch County residents and supporting a balanced lifestyle.

The strength of the Foundation is the focus on four areas: The Arts, Education, Health and Recreation.

The Foundation is made up of citizens like you who want to make a positive difference in our valley. Formed in 2006 by the joining together of numerous foundations, boards, and associations which previously operated in isolation, the Wasatch Community Foundation now represents a fresh, unified approach to volunteerism and charitable giving in the Greater Heber Valley.

Midway Foundation for the Arts

The goal of the Midway Foundation for the Arts is to enrich the lives of community members by creating a climate that attracts and fosters the arts throughout the Heber Valley.

We seek to build a facility which would meet the collective needs of the community and would offer programs, education and performances grounded in the arts. By drawing various organizations together and combining individual efforts for the common good our hope is to unite many groups within this community in order to bring this project to fruition.

Peter Breinholt

Monday, June 29, 7:30 p.m. Midway Town Square $5 adults; $2 children 12 and under. Come early with a picnic. Bring chairs and blankets.

Peter Breinholt is "the closest thing Utah has to a music phenomenon," wrote the Event Magazine. His music has spread around the globe, seemingly by itself. He has performed everywhere from New York to Los Angeles, from Spokane to San Antonio. His credits also include six albums, a concert DVD, film score Pearl Awards, and song-writing awards, among others. His appeal is multi- generational. Wasatch Community Foundation and the Midway Foundation for the Arts are pleased to collaborate in sponsoring Peter Breinholt in concert again this year.

Sound of Music

PERFORMANCES:

Fri. June 26 - Sat. Jun 27 - Thurs. July 2
Fri. July 3 - Sat. July 4 - Mon. July 6

Seating opens at 7 p.m. Show starts at 8:15 at the Zermatt amphitheater, 784 W. Resort Dr. Midway.

Musical pre-shows begin at 7 with Kerry Christensen (July 2,3,4) and the Annalee Duo (June 27, July 6). Come early for a good place on the lawn and enjoy a delicious Zermatt picnic supper, including Southern Fried Chicken Picnic with 12 pieces of tender chicken, sides, and four sodas for $20 or pizza and sodas for 4 for $18. Zermatt also is offering two single-serving gourmet suppers, one of fruits and cheeses, the other veggies and flavored cream cheese for under $20.

Reservations for Zermatt picnic suppers must be made in advance by calling 435-650-2284 or by purchasing them online at HighValleyArts.org. No outside food or alcohol is permitted.

Seating is on the hillside. Bring a blanket or camp chairs (17" high) or rent them in advance at HighValleyArts.org. Patrons on blankets will sit on a different side of the hill than those with camp chairs, so don't mix and match if you want to keep your group together.

Tickets - $12 adults; $8 children 12 and under (ages 4 and up only). Available at Day's Market in Heber or online at www.HighValleyArts.org.

Wasatch Plein Air Paradise 2009

Sponsored by the Midway Art Association

The signature event of the Midway Art Association is the Wasatch Plein Air Paradise 2009. This event will offer three painting competitions plus a two-day art exhibit and sale to mark this growing and popular cultural event.

Participating artists will compete, network, exhibit and sell their work, making this event the largest Plein Air competition in the state.

More than 100 Utah artists will participate in over $7,400 in purchase awards and cash prizes.

Plein Air Exhibit and Sale:
Midway Town Hall
Friday July 3 - 10 a.m. to 8 p.m.
Saturday July 4 - 8 a.m. to 6 p.m.

Main Street Musicians

July 4 - 3-6 p.m. on Midway's Main Street

New this year, the Main Street Musicians will bring a festive air to the streets of Midway on Saturday, the Fourth of July, with professional musicians stationed on four corners of Main Street near the center of town playing all types of music.

Pop into the Town Hall to see Utah's best plein air painters, take a Legacy Home Tour, hear about the area's past with Past and Blue Grass, and purchase a sasparilla to keep you cool as you stroll Main Street and listen to music. Then hop the Zermatt shuttle and see the Small Town Quilt Show at the Bernese Center and return to Main Street for more music.

Musicians performing include: Annalee and the Lost Boys, Doug Pope Country Western, Rob Sorensen Violinist, Michael Siggard's Dixieland Brass Band, Pat Arp Acoustic Sentimentalist and Kim Loertscher's Barbershop Quartet.

Also performing are Sue Waldrip's High Valley Singers, Lance Gritton and Winston Lee Guitar/Piano duet, Debbie Foreman Pianist, Sarah Haderly Violinist, Daniel Petersen Folk Guitar, and "Sound of Music" leads singing songs from the show. See High Valley Arts website at HighValleyArts.org for performance times.

Small Town Fourth

Sponsored by High Valley Arts Foundation

Legacy Home Tours

Experience the past when you visit four historical Midway homes with trained guides. Tours last 50 minutes. You'll see the houses and learn about their original owners. Meet at 100 E. Main in Midway.

Fri. July 3 - 4-5 p.m. & 5-6 p.m.
Sat. July 4 - 4-5 p.m. & 5-6 p.m.

Small Town Quilt Show

July 2 & 3 - 2 p.m. to 8 p.m; July 4 - 10 a.m. to 5 p.m.

A statewide display of hundreds of handmade quilts of all colors and designs will be featured at Zermatt Resort.

Prizes: $200 Best of Show; $150 First; $100 Second; 2 Honorable Mentions $50; Best of Show Youth 18 and under $50. Prizes awarded Thursday, July 2 at 7 p.m.

Admission is free. Take and Make Quilting Packets will be available for purchase. On-going demonstrations and training classes will be held when the display is open.

A handmade quilt featuring the Small Town Quilt logo will be awarded to the winning donation ticket. Tickets may be purchased at the show: 1 for $2 or 3 for $5.

The Past and Blue Grass

Friday, July 3 - 6-7 p.m. - Community Center
Saturday, July 4 - 4-5 p.m. & 5:15-6:15 p.m.

Storytellers tell the hillarious and often heartbreaking tales of the Valley's yesteryear with old-time slides by Jerry Springer. Corbin Gordon's bluegrass band will perform.

Sasparilla Stomp

Sasparilla Stomp is an old-fashioned family dance for ages 2 to 102. This is not a square dance. Anna and the Lost Boys will play music that will get your toes tapping and a caller will tell you what to do.

No experience required. Come dance or just sit around and watch. Sasparilla will cool you off between dances. Don't miss this perfect small town event.

Tuesday, June 30, 7:30 p.m. Midway Town Square. Admission is free.

High Valley Arts Foundation

HIGH VALLEY ARTS FOUNDATION is a grass-roots community organization with the goal of bringing the best of the arts to the Heber Valley. With a focus on excellence, the Foundation looks to the day when the Valley will emerge as a synergistic arts community in all disciplines.

A corollary focus of the Foundation is to preserve heritage through the arts. Consequently, the HVAF is sponsoring Small Town Quilt Show at Zermatt with quilters from all over the state invited to participate.

HVAF has presented "A Chrismas Carol" in both 2007 and 2008 to rave reviews along with an original musical "Socks and Souls" on the history of Midway. "A Christmas Carol" will be presented in 2009. Don't miss it!

We believe a focus on excellent art will not only lift spirits but will lift the economic fortunes of the Heber Valley without changing its look. Join us!

See www.HighValleyArts.org for more information.

Midway Art Association

MIDWAY ART ASSOCIATION (MAA):

Brings together a network of local talents, art enthusiasts and art advocates that include individuals, businesses and community organizations to create a fresh perspective on the fine visual arts for Wasatch County and Utah.

MONTHLY MEETINGS AND SOCIALS:

September through May - Third Tuesday, 7 p.m., at the Midway Town Hall.

ART WORKSHOPS:

Instruction by visiting artists to help many budding adult artists to find their muse.

SIGNATURE EVENT:

Wasatch Plein Air Paradise statewide art competition (June 26-30 and July 1), and associated exhibit (July 3-4).

OTHER EVENTS:

Heber Valley Fall Gallery and Studio Tour: Date TBA; a map will guide visitors to artists in their studio and gallery environments, with special locations added in selected historic buildings throughout the valley.

Second Annual Fall All Art Retreat: October 8, 9, & 10 at the Midway Town Hall. Open invitation to artists to attend workshops and create in a relaxed and informal atmosphere.

For more information, see MAA web site, www.midwayartassociation.org or contact M. Nielson 435-654-3854, S. Gertsch 435-654-1968, C. Kohler 435-671-2648

The Past and Blue Grass - July 3, and 4

Old-time local residents will share stories of the past with audiences interspersed with music from Corbin Gordon's Blue Grass Band.

COST: $0
INCOME: $0

Main Street Musicians - July 4 - 3-6 p.m.

NEW THIS YEAR: 12 professional musical groups will play on four corners of Main Street, Midway. All are performing for free. It will be an opportunity for visitors to the Plein Air Art Show and Sale and participants in The Past and Blue Grass and Legacy Home Tours to stroll the streets of Midway, enjoy the heritage and listen to music. Zermatt Resort will have a shuttle bus to take visitors to Zermatt to view the Small Town Quilt Show.
COST: $50
INCOME: $0

Sasparilla Stomp - Tuesday, June 30, 7:30 pm

Third year for this event. Free family dance on the Midway Plaza. Annalee and the Lost Boys will provide music with a professional caller. Sasparilla will be available for purchase. Has been a favorite event in the past -- a unique Small Town Dance.
COST: $650
INCOME: $0

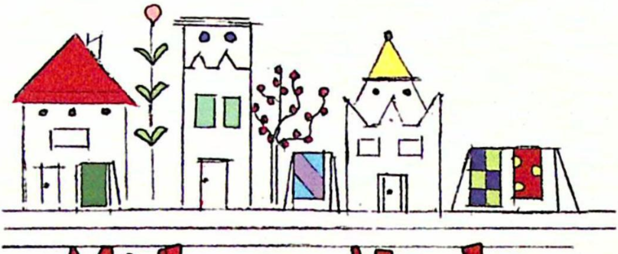

Overall Small Town Fourth Costs

We anticipate spending $15,000 for the event, the bulk of it for publicity ($2,500) and "The Sound of Music" We will have some merchandise sales, which will help with the cost, but overall, we do not expect to cover all expenses without donations.

We will present "A Christmas Carol" in December 2009 and need funds for those royalties and expenses.

Goals of Small Town Fourth
- Spotlight Midway Heritage
- Provide Family Events
- Provide a Cultural Experience for the cast and audience of Sound of Music
- Bring visitors to Midway to eat in local restaurants and stay in local resorts and bed and breakfasts

Honored Citizen

Phyllis Kohler

The Midway Boosters are pleased to announce the annual Honored Citizen for 2011. Phyllis Buck Kohler was born in Park City, UT. She graduated from Park City High School as Valedictorian of her class and was Student Body treasurer her junior and senior years. The highlight of her school years was being in the award winning Park City High School Band. She also enjoyed being in the chorus and participating in the All State Chorus at BYU. She attended LDS Business College in Salt Lake City and Woodbury College in Los Angeles. She grew up working in the family store, Welch, Driscoll & Buck - established in 1894 by her grandfather and closed in 1954 by her father. It was on Main Street, Park City, where the Treasure Mountain Inn stands. At 11, she washed show cases and swept the floors until she graduated to clerk and later to bookkeeper. She learned ballroom dances that were practiced and then performed at the annual Gold & Green Ball sponsored by the LDS Church.

Her first job was as a report writer with Dunn & Bradstreet. She later worked at AT&T in Park City as a telephone operator back when an operator said "Number Please" and connected the calls. It was the most enjoyable job she ever had. She later worked in the accounting department at Shrivel Patterson Finance in Salt Lake City.

In 1952, she married LeRoy A. Kohler in the Salt Lake Temple. They settled down to build a house and start a family. Roy worked with his father and later purchased the farm. They had nine children: six sons, Melvin (Mick), Mike, Phillip (deceased), Grant, Kameron and Nathan, and three daughters, Kathleen (Kathy Bergin), Nancee Heckel and Lisa Christen. The farm was a perfect place to raise children and teach them to work. Summers brought nephews (one per summer) to stay and work on the farm. They hosted seven exchange students and many other boys stayed from a few weeks to four years. She prepared many large meals during the summer for hay haulers, visitors and family.

Roy passed away in 1987. Phyllis currently has 43 grand children and 14 great grand children. She still lives on the farm. Phyllis and Roy were at the meeting the night Scott Whitaker suggested they celebrate the Swiss Heritage and call our celebration 'Swiss Days'. Phyllis was Booster Treasurer for several years in the beginning and also worked in the booths. As Relief Society President she was in charge of their booth for three years. For several years she baked 250 to 300 loaves of Swiss Bread in her kitchen during the summer and filled her freezer and others who had room to spare. They also made sauerkraut in their kitchen for the first few years, until it got too big. When the Ward took over the booths, she was in charge of the 1st Ward bread baking and with the help of Bonnie Bezzant taught many ladies how to braid bread. Over the years she made many Swiss costumes in different sizes. When her daughter, Kathy, was 'Swiss Miss,' she was informed that the mother of the Swiss Miss was in charge of making the float. She built the float which she took to the 24th of July parade and got the Governor's award. She built the floats for the next six or seven years with Roy's help; then she decorated them. She drove them to Salt Lake and also drove them in the parade herself. She received two trophies and several Governor's Award Certificates.

In succeeding years, it became difficult to get the older girls to participate in Swiss Miss. At a Booster meeting Phyllis made the suggestion that they have a 'Little Swiss Miss'. It passed unanimously. It has been a great thing and a special part of Swiss Days. Phyllis was a Charter Member of the 'Swiss Hand Bell Ringers' and played for five years. She has been in the Swiss Chorus since the late 1960's, not missing many years. She was also a member of the 'Heber Valley Choralettes' for over 30 years. She has served in many Ward and Stake positions as well as serving in the Santa Rosa, California Mission from 2005-2006.

Phyllis and her family have thought of Swiss Days as a big, important and enjoyable part of their lives, and her family is continuing the tradition.

Swiss Miss Royalty

MIDWAY SWISS DAYS
MIDWAY UTAH

The Midway Boosters are pleased to introduce this year's Swiss Miss Royalty. The Swiss Miss pageant was held March 26, where five new representatives of Midway were chosen. These young ladies will act as hostesses for Midway's annual Swiss Days celebration on the Midway Town Square September 2nd and 3rd. The Swiss Miss will perform at Swiss Days and other public events such as Wasatch County Fair Days and Swiss Christmas.

While all of these young ladies have varied interests and talents, they share a love of community service. They helped hostess the annual Midway Fourth of July celebration, visited with the elderly at a local nursing home, performed at a program sponsored by the Senior Citizens Center and participated in other community service activities. The Swiss Miss Court and their families are having a year full of great experiences and friendship and wish to thank the community for their support.

Left to Right: Maya Jones, Sarah Mair, Anna Snow - Swiss Miss 2011, Jessica Stagg, Emily Rasband

Swiss Miss Royalty

Anna Snow - Swiss Miss 2011 • Daughter of Kevin and Tara Snow.
Anna is the youngest in her family and has three older sisters. She has been clogging for seven years and has been on the National Jr. All-American team. Anna enjoys playing the piano, snow skiing and sewing. She loves to bake all sorts of treats and hopes to open her own cupcake shop someday. She is an accomplished student whose favorite subject is science. Anna has a lively personality and a good sense of humor. She is honored to serve as this year's Swiss Miss and is enjoying sharing the responsibilities and experiences with her new friends.

Emily Rasband - Attendant • Daughter of Jeff and Heather Rasband.
Emily has two sisters, one annoying brother and one cute baby brother. Her passion in life is playing the violin. This past year Emily has had the privilege of playing and performing with the Utah Valley Youth Symphony. She is also a member of the Gifted and Talented Education program in her school and despite the rigorous academia, Emily maintains an A average. Emily has a spunky personality and a smile that will brighten anyone's day. Midway is Emily's favorite place because of the beautiful mountains and nice people.

Jessica Stagg - Attendant • Daughter of Dan and Cindy Stagg.
With a love for music, Jessica has played the piano for six years and plays the violin in her school orchestra. She has even written an original composition. She loves anything by the Beatles and has been known to rock out with her dad and little brother, Jamison, to everything from Queen to Van Halen. Jessica is a straight-A student and hopes to be an architect one day. She has her sights set on attending BYU-Hawaii, where her grandfather is a teacher. She is enjoying her duties as a Swiss Miss attendant and is thrilled to be representing Midway along with her new friends.

Sarah Mair - Attendant • Daughter of Jason and Jenny Mair.
Sarah has two sisters, one older, Nadia, and one younger, Hannah. She loves animals and has a pet rabbit, Buddy. Sarah also loves horses and wants to learn to ride and take care of them. She loves swimming and is on the Gold Swim Team. Sarah loves reading books, playing with her friends, singing, dancing, piano, parties, and watching movies with her family. Sarah is excited to represent Midway as one of the Swiss Miss this year.

Maya Jones - Attendant • Daughter of Christian and Elise Jones.
Maya is excited to be a part of the Swiss Miss tradition by making new friends, being involved in the community, and appreciating her German heritage. She has been a part of the Swiss Children's Chorus and has sold her own crafts at Swiss Days. Maya thrives in the outdoors with her sister, Brooke, and loves skiing, camping, horses, river trips and anything in between. She enjoys Ballet Company, soccer, violin, ukulele, guitar, and music. Maya excels in academics and enjoyed serving on student council.

THE MIDWAY TRADING PINS
(August 2011)

Gayle and I were elected to the Board of Trustees of Midway Boosters, Inc. soon after we arrived to live full time in Midway in 1999. We served for two terms of three years with 15 other couples with a few terms expiring each year and new couples coming on. It was a great experience for us and really helped us become integrated into the community.

Midway Boosters is a non-profit community organization with responsibility for Swiss Days, Swiss Christmas, July 4th celebration, The Social Hall/Cannery and other tasks. Gayle and I soon noticed that there was a demand for souvenirs of Midway and Swiss Days but no real plan in place to provide them. We suggested that the Boosters have its own booth at Swiss Days. The idea was accepted by the board and we were asked to head up the project. We designed logos, identified merchandise and arranged for a booth the summer of 2000 and here we are 12 years later on the eve of Swiss Days and we still have a robust merchandising effort which meets demand and raises additional funds for the good of the community.

This merchandising effort and its convergence with planning for the 2002 Olympics opened up our vision to trading pins. One of the traditions of the Olympics is to produce a variety of trading pins featuring many aspects of the locale of each Olympics. Since approximately one-third of the events of the Salt Lake 2002 Olympics were to be staged at Soldier Hollow on the edge of Midway, there was interest in producing Olympic pins featuring Midway and Soldier Hollow. Gayle found our way into that arena, got help from experts, and designed four Olympic pins, namely the Town Hall, Swiss Days 2002, the Welcome to Midway Sign, a Silver and a Gold Soldier Hollow Cross Country Skier. The pins were very popular and many were sold. The Swiss Days 2002 pin was unique in that it commemorated dual events, namely the 2002 Olympics and the 2002 Swiss Days. Each 2002 Swiss Days pin had a different serial number from 1 to 2002. We soon learned that serial numbers are highly desired by collectors and we had a lot of fun trading them. We preserved for Midway Boosters pins numbered 1 and 2002 and they have been mounted and framed for posterity.

While we were working on the Olympic pins early in 2000, we had the idea to start a Swiss Days pin series for Swiss Days that year. We thought it would add special value to any collection to have a significant event like Swiss Days which had endured since 1947 and the beginning of a new century. We were running out of time and we could not use the Olympics infrastructure to help so we sought out Everen T. Brown in Salt Lake City, who helped companies with special merchandise. He was not an expert on pins but he helped us design and order our first pin. It was a decal of a Swiss Days Coat of Arms fastened to a gold pin. It was not much, but it got us started.

For 2001 we went back to Everen T. Brown and with more time we ordered a triangle shaped pin with a Swiss flag, but after ordering it we heard that it may not be finished in time for the 2001 Swiss Days. So we quickly ordered a square pin with the same triangular Swiss flag only smaller. To our delight they both arrived before Swiss Days, so

we offered two 2001 pins as the second and third in the series. No one seemed to mind and we appeared to be on our way.

We already had on hand the 2002 Olympics/Swiss Days pin featuring the Town Hall, so we had the fourth pin in the series and we essentially sold all of them by the end of Swiss Days 2002.

We then wondered what design we would use for the 2003 Swiss Days pin. We had many ideas, but settled on an oval design featuring the new Legacy Bridge over the Provo River east of Midway on the way to Heber City. The bridge had been constructed as an Olympics project and it made a classy pin designed as an overlay, or double overlay as we sometimes called it.

The 2004 pin commemorated the Homestead, which has made Midway famous and which was developed by the Schneitter family in the late 1800's. The pin was an upright rectangle with rounded top edges featuring one of the old building with a carriage in front, having a wheel that turns. The turning wheel was unique and it contributed to our collection as the sixth pin in the series.

The seventh pin for the 2005 Swiss Days was round in shape and featured the English architecture from the Lethe Tadge home and the three Bonner homes on the corners of 100 East and Main Street. This was a classy pin which resonated with many residents even though the Swiss/Bavarian architecture is more prevalent. We ordered only 100 or so of the early pins, excluding the 2002 pin. We started ordering more as the demand increased first 200 and then 300 in the later years. We knew that limited editions add value to pin collections and that was part of the plan to add value to our collection.

While we were on the Booster Board through about 2005 we just handled the design and merchandising through the Booster Booth at Swiss Days and Swiss Christmas. After we left the Board they asked us to keep on with the project from the outsides and we have done this ever since. We came to realize that selling only one pin each year was too limited so we included a magnet and key chain of the Homestead with the 2004 pin but they did not sell very well. We then began to order more pins so we could offer the new one and pins from the last couple or three years. Since that time we have been selling between 400-600 pins each Swiss Days the past few years.

The 2006 Swiss Days pin was a square with rounded top edges featuring the CB Barn in double overlay. This was a very popular pin with the bright red barn that is within one-half block of the City offices. We had especially high demand from the local citizens, but other collectors liked the design as well.

We receive requests from time to time from groups holding meetings at Zermatt and the Homestead for souvenir pins to give to their attendees. We chose not to use our Swiss Days pins so we decided to print a new pin featuring our welcome signs as you enter Midway. This was similar to the Olympic Welcome pin, but a little smaller and had a dangling bell beneath the sign as did the Olympic Welcome pin. This is not a limited edition

and we will reprint if needed, but we still include both of these special use pins as part of the series.

The 2007 Swiss Days pin featured the Midway City offices with their bell tower. This was also in double overlay and similar in shape to the CB Barn, but larger. We also determined that we still needed more pins to sell so we came up with a design similar to the 2001 triangle pin with the Swiss Flag to commemorate the 60th Anniversary of Swiss Days, 1947-2007. While the design was similar we printed it in gold rather than silver and changed the design of the banner over the flag. This pin design is very popular with collectors. This pin is also not a limited edition, so we can print more if needed, but we hope it can be used for years, perhaps for 15 years until the 75th anniversary.

The 2008 pin featured the Edelweiss Art Gallery owned by Sherry Omans adjoining the old Social Hall on Main Street. She has retained the old design, but maintains it as a very nice addition to the flavor and architecture of Midway City. This was originally a small residence for a blind man who would prepare refreshments and sell them through an opening in the wall to the Social Hall.

In recent years the City, under the leadership of Mayor Connie Tatton, has been placing bell towers at the entrances to the City. One appears on the east entrance coming from Heber City; another appears in a roundabout on River Road on the north by the Kohler Dairy and Burgi Lane. We decided to feature the bell towers on our 2009 pin. This was an upright oval design with mountains in the background and flowers in front. Most of the pins display a Swiss or American flag. In more recent pins we try to place both American and Swiss flags.

The 2010 pin featured the Midway Mercantile building on the northwest corner of 100 East and Main. This building was constructed in the 1870's and exists as an antique shop today. It originally housed a business for the Bonner boys, who with their father occupied the English architecture homes on the other three corners of that intersection which were featured on the 2005 pin.

This week we will unveil the 2011 Swiss Days pin featuring the Blue Boar Inn on Warm Springs Road near the Visitors Center of Wasatch State Park. This Inn has captured the essence of the Swiss/Bavarian architecture and enjoys a fine reputation for its lodgings and its fine restaurant.

THE PIN SERIES

This pin is 15th in a Midway Swiss Days pin series that started in the year 2000.

1	2000	Midway Shield Pin
2	2001	Square Swiss Flag Pin
3	2001	Triangle Swiss Flag Pin
4	2002	Town Hall/Olympic Pin
5	2003	Legacy Bridge Pin
6	2004	The Homestead Pin
7	2005	English Architecture Pin
8	2006	CB Barn Pin
9	2006	New Welcome Pin
10	2007	City Offices Pin
11	2007	Triangle/60th Year Pin
12	2008	Edelweiss Gallery Pin
13	2009	Welcome Bell Tower Pin
14	2010	Midway Mercantile Pin
15	2011	Blue Boar Inn

2011 SWISS DAYS PIN

DESCRIPTION

Blue Boar Inn and Restaurant was built in 1995 at 1235 Warm Springs Road near the Visitors Center for Wasatch State Park. It's unique architecture and location near the mountains is one of the most enduring reflections of Midway Swiss Heritage.

Blue Boar Inn is a favorite place to stay for those who seek the peace and solemnity of Midway and the beauty of its surroundings. The restaurant is famous for its high quality cuisine and endearing ambiance.

Midway Boosters

Changes scheduled for Midway's Small Towne Christmas - Opening Friday, December 2

BY BONNY A. WATSON
SPECIAL TO THE WAVE

This year's Swiss Christmas will be held at two venues. The newly refurbished Historic Town Hall will be filled with 28 carefully selected vendors. Next door at the Community Center there will be an additional 12 vendors. Most are local or come from nearby towns in Utah such as Heber City, Wallsburg and Salt Lake City. Vendors were picked for the quality of their products as well as affordability and uniqueness. There will be jewelry, clothing, home décor, homemade candy, books,Tommy's Texas Bar-B-Que, and more available for purchasing.

The fun begins at 10 a.m. and goes to 8 p.m. Most of the day on Friday fun entertainment will be going on in both locations. Cass Ho and Ken McConnell will be emceeing a large variety of entertainment going on in the Town Hall. Our own sweet Swiss Miss will kick off the performances on Friday evening. Sue Waldrip's Mountain Valley Singers and others will fill the evening with music and fun. They will include Annalee Van Rossendaahl, a local accomplished vocalist, and the River Meadows Ballet Company under the direction of Jenny Mair.

Saturday, the 3rd, a number of children's dance and performance groups will entertain in the morning. At 11:30, Richard Souther & Nyle Steiner, the musical inventor of the "Electonic Valve Instrument" and 4-time Grammy nominated composer, singer and songwriter will perform. From noon to 2 Father and Mother Christmas will come to listen to the children's Christmas wishes and hand out candy canes. At 2 the Beehive Statesmen, a men's barber shop chorus, will treat us to a wonderful hour of old fashioned harmonizing. Jeanette Clinger Hurly, a new vocalist we have not had here before, will be next on the program. Center Stage Vocal Company from Provo, whom we loved last year, will join us again. At 4:00, the Swiss Miss Royalty will perform followed by the Stirling Strings, a violin group. Grace Sittler, a vocalist, the Mountain Valley singers, the Silhouettes, a vocal trio and Mignon Jeppson's piano students will

Finish off our wonderful line-up of great talent, showcased for you here in our Historic Town Hall just for SWISS CHRISTMAS.

CRECHE - NEW LOCATION -

The 13th annual Interfaith Creche Exhibit will be held this year at the Homestead Resort located at 700 Homestead Drive in Midway. The theme is "Celebrating the Birth of Christ". This year the event will go from Friday the 2nd of December through Monday the 5th. The exhibit will open at 11 a.m. and close at 8 p.m. each day.

This event has become a tradition and many come from far and wide to participate in the rich spirit that permeates all that goes on. Not only the gorgeous nativities which are so artfully displayed from all around the world contribute to this feeling, but the beautiful live music that is being performed make this an occasion not to miss.

The Homestead resort will be hosting some fun activities for the children for a small fee. The children will be able to decorate Christmas cookies, and make gingerbread houses as well as make some simple crafts. Light refreshments can be purchased and enjoyed while listening to a variety of Yuletide performances.

The Midway Boosters will also offer a photo opportunity for children to be dressed in nativity costumes and have their pictures taken. Entry to both Swiss Christmas, and the Creche is free.

SWISS CHORUS CHRISTMAS CONCERT

Though not actually a part of the Booster's Swiss Christmas, we want to make special mention of this memorable evening which will feature both the Swiss Chorus and the Swiss Bells performing beloved Christmas music. The Concert will be at the Town Hall on December 18 at 7 p.m. This evening is their "Gift to the Community".

We hope all three of these Christmas Holiday events will find you in attendance, enjoying what it is to live in a magical place, where a Small Towne Christmas is a reality.

A look at Swiss Christmas and the Interfaith Creche Exhibit

Above: Crafters sell their wares at Swiss Christmas this weekend, held in Midway at the Town Hall and the Midway Community Center. The event also hosted singing groups to entertain crowds. Right: Some of the exquisite nativity scenes at the Interfaith Creche Exhibit at the Homestead Resort. The Creche Exhibit was open through Monday
